 Anderson,2008-10-01 The Secret World of American Communism 1995 filled with revelations about Communist party covert
 operations in the United States created an international sensation Now the American authors of that book along with Soviet
 archivist Kyrill M Anderson offer a second volume of profound social political and historical importance Based on documents
 newly available from Russian archives The Soviet World of American Communism conclusively demonstrates the continuous
 and intimate ties between the Communist Party of the United States of America CPUSA and Moscow In a meticulous
 investigation of the personal organizational and financial links between the CPUSA and Soviet Communists the authors find
 that Moscow maintained extensive control of the CPUSA even of the American rank and file The widely accepted view that
 the CPUSA was essentially an idealistic organization devoted to the pursuit of social justice must be radically revised say the
 authors Although individuals within the organization may not have been aware of Moscow's influence the leaders of the
 organization most definitely were The authors explain and annotate ninety five documents reproduced here in their entirety
 or in large part and they quote from hundreds of others to reveal the actual workings of the American Communist party They
 show that the USSR covertly provided a large part of the CPUSA budget from the early 1920s to the end of the 1980s
 Moscow issued orders which the CPUSA obeyed on issues ranging from what political decisions the American party should
 make to who should serve in the party leadership the CPUSA endorsed Stalin's purges and the persecution of Americans
