Sumter County High School Graduation:

James E. Clyburn Connector, Calhoun, Clarendon and Sumter Counties, 2002 **A Country Boy from Sumter County, South Carolina** Coach Harry L. Fulwood Sr., 2014-11-21 I wrote this book to share my life story I was prompted into writing this book because of so many people that heard me as a guest speaker me telling different people real life stories about myself my stories about my twenty two months in the army and my coworkers and many of my former students telling me that I should be putting my stories and experiences in a book So I decided to write it For those of you that know me well and those that don t know as well you will find this book to be very interesting downright hilarious very entertaining and thought provoking I believe you will have so much fun reading it while you laugh **Little Sarah** Sarah Cobb, 2021-05-25 Little Sarah is a compelling story of a little girl born into a world without a mother a father who didn t know how to express his love for her and how the rest of her family characters shaped her view of the world From the small towns of Georgia and Florida to the big city urban life Little Sarah suffers through life changing incidents falls down only to pick herself backup learns her lessons by listening or suffering the consequences and grows up to understand that seeing the world through the eyes of her higher power is the only way she has made it to this point in the story The story is not quite over but now she wants to share what has happened so far with you Share the journey as Little Sarah finds adventures of courage and pratfalls and eventually learns that the best way to live life is according to The Word Bulletin, 1916 *Bulletin* United States. Office of Education, 1916 *Sumter County Board of Education, Americus, Georgia, Annual Financial Report for the Fiscal Year Ended ... (including Independent Auditor's Reports)*. Sumter County (Ga.). Board of Education, 2008 The Kappa Alpha Journal Kappa Alpha Order, 1929 **God with Us** Ansley L. Quiros, 2018-09-28 For many the struggle over civil rights was not just about lunch counters waiting rooms or even access to the vote it was also about Christian theology Since both activists and segregationists ardently claimed that God was on their side racial issues were imbued with religious meanings from all sides Whether in the traditional sanctuaries of the major white Protestant denominations in the mass meetings in black churches or in Christian expressions of interracialism southerners resisted pursued and questioned racial change within various theological traditions God with Us examines the theological struggle over racial justice through the story of one southern town Americus Georgia where ordinary Americans sought and confronted racial change in the twentieth century Documenting the passion and virulence of these contestations this book offers insight into how midcentury battles over theology and race affected the rise of the Religious Right and indeed continue to resonate deeply in American life Federal Civil Rights Commitments United States Commission on Civil Rights, 1983 **Fifteen Years Ago** United States Commission on Civil Rights, 1984 **The Class of '65** Jim Auchmuty, 2015-03-31 In the midst of racial strife one young man showed courage and empathy It took forty years for the others to join him Being a student at Americus High School was the worst experience of Greg Wittkamper s life Greg came from a nearby Christian commune Koinonia whose members devoutly

and publicly supported racial equality When he refused to insult and attack his school's first black students in 1964 Greg was mistreated as badly as they were harassed and bullied and beaten In the summer after his senior year as racial strife in Americus and the nation reached its peak Greg left Georgia Forty one years later a dozen former classmates wrote letters to Greg asking his forgiveness and inviting him to return for a class reunion Their words opened a vein of painful memory and unresolved emotion and set him on a journey that would prove healing and saddening The Class of 65 is more than a heartbreaking story from the segregated South It is also about four of Greg's classmates David Morgan Joseph Logan Deanie Dudley and Celia Harvey who came to reconsider the attitudes they grew up with How did they change Why half a lifetime later did reaching out to the most despised boy in school matter to them This noble book reminds us that while ordinary people may acquiesce to oppression we all have the capacity to alter our outlook and redeem ourselves *Jimmy and Rosalynn Carter* E. Stanly Godbold, Jr., 2010-10-06 Covering their lives from childhood to the end of the Georgia governorship Jimmy and Rosalynn Carter is one of the few major biographies of an American president that pays significant attention to the First Lady So deeply were their lives and aspirations intertwined a close friend once remarked You can't really understand Jimmy Carter unless you know Rosalynn The story of one is the story of the other To recount their remarkable lives E Stanly Godbold Jr draws on academic and military records the governor's correspondence the recollections of the Carters themselves as well as original unpublished interviews with a wide variety of participants in the Carters political and personal lives The book reveals a man who was far more complex than the peanut farmer of popular myth a man who cited both Reinhold Niebuhr and Bob Dylan as early influences on his legal philosophy was heir to a sizable fortune and who with the help of Rosalynn built a lucrative agribusiness Nicknamed Hotshot by his father Carter was the first president born in a hospital rode a motorcycle before entering politics counted Tolstoy Dylan Thomas William Faulkner and James Agee among his favorite authors and claimed his wife Rosalynn as the most influential person in his life Volume I in this two volume biography details how the Carters rose to power managed their private and public lives governed Georgia and seized control of the national Democratic party The cast of colorful characters includes Miss Allie Smith Mr Earl and Miss Lillian brother Billy Rachel Clark Admiral Rickover George Wallace Lester Maddox Richard Nixon daughter Amy Charles Kirbo Hamilton Jordan Jody Powell and many more It is a sweeping Faulknerian tale of individuals who would change the image of the South in the national mind and the role of the South in the presidency Indeed Carter shocked the state of Georgia and the entire country by calling for an end to racial discrimination in 1971 thus launching his national political career Jimmy and Rosalynn Carter neither sanctifies nor vilifies the Carters but offers instead an even handed brilliantly researched and utterly absorbing account of two ordinary people whose lives together took them to the heights of power and public service in America **Men of the Time** J.
