Crain, Winifred Poster, Miriam Cherry, 2016-06-28 Demographic and technological trends have yielded new forms of work that are increasingly more precarious globalized and brand centered Some of these shifts have led to a marked decrease in the visibility of work or workers This edited collection examines situations in which technology and employment practices hide

labor within the formal paid labor market with implications for workplace activism social policy and law In some cases technological platforms space and temporality hide workers and sometimes obscure their tasks as well In other situations workers may be highly visible indeed the employer may rely upon the workers aesthetics to market the branded product but their aesthetic labor is not seen as work In still other cases the work occurs within a social interaction and appears as leisure a voluntary or chosen activity rather than as work Alternatively the workers themselves may be conceptualized as consumers rather than as workers Crossing the occupational hierarchy and spectrum from high to low waged work from professional to manual labor and from production to service labor the authors argue for a broader understanding of labor in the contemporary era This book adopts an interdisciplinary approach that integrates perspectives from law sociology and industrial labor relations Provided by publisher **Midnight Chronicles** Betty Roberts,2018-03-06 In late January of 2009 author Betty Roberts needed to confront what she had suspected for weeks and even months Her husband Paul was in the early stages of Alzheimer s A member of the Apollo team who helped put the man on the moon he was now forgetting how to live like a man on earth In *Midnight Chronicles* she shares her husband s journey as he deals with Alzheimer s day after day Told in journal format through the eyes of his nurse caregiver wife it relates the effect on his life and on the lives of his family from the early undiagnosed stage one to the disability of stage seven Betty covers in detail the seven stages of Alzheimer s and what they did to handle and combat each stage as it occurred Offering firsthand insight into this disease *Midnight Chronicles* shares the details of Betty s life with Paul including the challenges the choices the tears the fears the grief but most of all the love *The SNL Companion* Stephen Tropiano,Steven Ginsberg,2024-09-17 This is a comprehensive ticket to learning more about every aspect of the late night comedy staple and its storied history Library Journal Television history was made on October 11 1975 when a new generation of young performers welcomed America to the first episode of a new late night comedy and variety show Combining cutting edge humor with a satirical sensibility *Saturday Night Live* would go on to become the longest running series of its kind in television history shining a light on pop culture as well as contemporary social and political issues It also became a launching pad for many of the leading comedy performers of the last five decades including John Belushi Bill Murray Gilda Radner Eddie Murphy Phil Hartman Will Ferrell Tina Fey Amy Poehler Seth Meyers Jimmy Fallon Maya Rudolph and Kate McKinnon Celebrating the show s record breaking 50 years on the air *The SNL Companion* is a fun fact filled tribute to a television institution From the show s creation by Lorne Michaels through all of the seasons leading up to its golden anniversary it provides an in depth look at SNL s comedic highlights and nadirs its memorable hosts and musical guests and its many controversies Along with a complete episode guide it explores the characters sketches politics catchphrases commercial parodies and viral shorts that have made it a leader in American comedy for over five decades Vastly revised updated and expanded since its original publication in 2013 and packed with photographs and rich encyclopedic detail *The SNL Companion* is a one stop resource for all things SNL *Pomegranate*

Winter Lyric Michael Whone,2018-10-27 an infectious little gem Whispering Stories Winter Lyric is the emotional and poetic story of Elliot Stephenson and his relationship with Sarah Benton two drinking buddies that suddenly become romantic partners With a new found lust for life so profound he s not quite sure what to do with it Elliot delivers a quirky love manifesto for Sarah documenting his recklessly entertaining fruition of sexual self discovery Elliot brilliantly weaves together a breathtakingly honest and cleverly entwined story that fortuitously connects each hedonistic moment of his past and

present to a bittersweet realization that life isn't about pleasure seeking but that life's synchronicity and divine transcendence is the ultimate pleasure that finds us. A meditation on all that is gained and all that is lost in every small moment every seemingly meaningless interaction that passes us by and it is told in a voice that is both profound and inimitable and contains more beauty and pain than should rightly exist in its brief pages. From the Foreword by Neal O'Reilly

Countdown to Socialism Anthea Jeffery, 2023-07-19 With growth stalling joblessness at crisis levels and governance unravelling most South Africans cannot fathom why the ANC does not embark on meaningful reform. The answer lies in what is seldom raised: the ruling party's unwavering determination to take the country by incremental steps from capitalism to socialism. This transformation is being implemented via a Moscow-inspired national democratic revolution (NDR) dating back many decades. Despite the Soviet Union's collapse in 1991, the ANC-SACP alliance still sees the NDR as offering the most direct route to socialism in South Africa and hence as its bedrock strategy. The NDR has been implemented in many different spheres since 1994. By way of example, NDR interventions have already made millions of people unemployable and the mining sector largely uninvestable. They now aim at land expropriation without compensation (EWC) and the effective nationalisation of private healthcare and pensions. The NDR is the key to understanding ANC rule over some 30 years yet most South Africans have been kept in the dark on it. This book aims to fill that gap. Written in clear and simple language, it provides an indispensable primer on the NDR and its role in the countdown to socialism in South Africa. This Land Is Our Land Linda Barrett Osborne, 2016-04-12 A YALSA Excellence in Nonfiction Finalist. Linda Barrett Osborne's *This Land is Our Land* explores the history of American immigration from the early colonization of the continent to the contemporary discussions involving undocumented aliens. American attitudes toward immigrants are paradoxical. On the one hand, we see our country as a haven for the poor and oppressed; anyone, no matter his or her background, can find freedom here and achieve the American Dream. On the other hand, depending on prevailing economic conditions, fluctuating feelings about race and ethnicity, and fear of foreign political and labor agitation, we set boundaries and restrictions on who may come to this country and whether they may stay as citizens. This book explores the way government policy and popular responses to immigrant groups evolved throughout US history, particularly between 1800 and 1965. The book concludes with a summary of events up to contemporary times as immigration again becomes a hot-button issue. Exceptional, outstanding archival photographs and illustrations complement the comprehensive text and encourage thoughtful discussion. An excellent timeline and end notes and a thorough bibliography make this an effective research tool. School Library Journal Starred Review. *Beagle on Board (PB)* Brad Bawmann, 2018-09-27 *Beagle on Board* By Brad Bawmann. *Beagle on Board* is the gut-wrenching story of one family's ten-year-long struggle with their father's Alzheimer's disease. This awkward and sometimes heartwarming journey begins with a son calling the police after his father has threatened to kill his mother. The story weaves through the years as the family wrestles with how to get a proper diagnosis for their father's off-and-perplexing behavior, finds an appropriate place to

care for their dad and comes to grips with the loss of a loved one who has been replaced by a sex crazed foul mouthed adolescent Beagle on Board exposes us to the realities and horrors of dementia both real and perceived as the Alzheimer s patient of the book goes from groping women in church to taking his pants off at the grocery store This book will make you laugh and cry Ultimately love wins the day as a once fractured family comes together to say goodbye to their broken and beloved dad
