Fuggi, 2018-02-08 In American church culture worldly benchmarks of achievement have all but blinded us to the true purpose of the body of Christ *A New Model of the Authentic Church* may be one of the most significant books written on the American church in decades It not only offers a scholarly analysis of the current state of the church but provides practical solutions The book offers a brilliantly well developed model for how to make church work more effectively If implemented it would provide a much needed paradigm shift in how we do church in America The book's main contribution is that it provides a workable framework not only on how to birth new missionally minded churches but how to reform existing ones back to the Authentic Church of the gospels If its principles are taken and applied the book could alter the landscape of the American church which will be a breath of fresh theological air to a church that has lost its way in the new millennium The purpose of this book is not to just challenge and change the status quo its goal is to bring a real lasting transformation to how we do church The aspiration in writing this book is for it to be seen and read not just as a critical assessment of the condition of the American church but as a practical blueprint that will provide much renewed hope and purpose to the contemporary American church the bride of Christ **Come Now, Let Us Reason Together** Mark D. Friedman, 2024-12-30 This volume seeks to correct a

widespread fundamental misconception about Judaism Because the ultra Orthodox follow ancient Jewish traditions and strictly adhere to halakhah Jewish law it is commonly believed that the repressive rigidly hierarchical norms and social institutions that characterize their communities represent authentic Judaism This view is profoundly mistaken Judaism's true values are only ascertainable from its canonical books and in the discourse of the rabbis who reinvented Judaism after the destruction of the Second Temple in 70 CE substituting prayer and textual study for temple sacrifice The rabbis' legal debates biblical interpretations and fanciful stories are recorded in the Talmud and other classic sources and show that these religious leaders firmly reject dogmatism and embrace controversy dissent pluralism moral autonomy tolerance and when required by changing social conditions radical innovation The Hebrew Bible is itself rife with intertextual disputes regarding crucial theological questions that preclude pat answers regarding what Judaism says or means It seems that God has given us wide latitude to think for ourselves As argued in this study the Torah does not provide us with the ultimate truth but gives

us the best and surest means of obtaining it      *Captivators for Christ* R.C. Milco,2019-04-02 The impossibility of forgiving another as we have been forgiven was intended to drive us to our knees When our lives are shredded in the proclamation of Him who pardoned the undeserving we are propelled into the only Refuge we have the Redeemer who bought us back from the dead and now enables us to serve in His style of ministry From where do our reserves come when expenditures are daunting Where do we find strength to persevere And how are we to not lose heart when longing to see others captivated by the Lord s love we fail to witness any fruitfulness in the long suffering Through the Biblical meditations offered in *Captivators for Christ* the reader is invited to contemplate the cross where all of the forfeitures and losses of extending forgiveness are eclipsed by the lavish and matchless love of God our Rescuer      *Rethinking Jonah* Thomas J. Belke,2025-04-15 Was the Hebrew Prophet Jonah a real or fictional person If real when did he live Who were his contemporaries Where did he grow up How long did he live What was he like Is the biblical book truth or fiction Can we know more about him than the 48 verse account in the biblical Book of Jonah one verse in 2 Kings and three short New Testament references To what extent are contemporary assessments of him as being the runaway prophet accurate And what really happened at Nineveh and in the aftermath RETHINKING JONAH is subdivided into four volumes that build on each other as follows Volume 1 Convergence This first volume launches into the inference based historical reconstruction resulting in convergence on the 9th century BC timeframe Scribes scrolls cliffs caves and skulls Prepare to be amazed Volume 2 The Boy Prophet This second volume reveals that Jonah is hidden in plain sight in 2 Kings and reconstructs the first part of his life from his miraculous birth in the Spring of 850 BC to his first resurrection in 849 BC to him drowning to death at sea in 826 BC Volume 3 Two Scrolls Not One This third volume picks up with Jonah s second resurrection in 826 BC reveals that Jonah was originally published as two scrolls not one explains why Nineveh repented in 824 BC and reconstructs Jonah s third resurrection in 799 BC Volume 4 Mysteries Unveiled This fourth volume synthesizes the entire historical reconstruction including an in depth look at the sign of Jonah and the Jonah Israel super sign typology that Jonah s life is a typological map of the history of Israel past present and future

Fulton-Taylor,2019-08-16 The number one cause of contentious relationships in society is patriarchy It s a system that puts men at the head of the family and defines how women relate to one another how men and women engage and social responsibilities for women as leaders But it s up to those who feel its impact most women to change the narrative In *The Lies We Were Told* author Dr Eloise M Fulton Taylor challenges us as women to see one another differently It offers a new vision that sees women against the backdrop of a well established but faulty system meant to control us Patriarchy linked women s stability to toxic systems of forced competition hierarchy and survival challenges Dr Fulton Taylor proposes that instead of seeing one another as rivals who are only out for revenge and punishment we see each other as by products of someone else s idea If you have ever wanted to know the root cause of disagreements between women and girls you will want to read this book If you have ever thought that there has to be a reason for all of this

Fink, 2017-04-17 Today we have many ways of defining success in life Some define it as being a sports hero others as being wealthy others as being popular and well liked and still others as being happy How does God define success He defines it as being spiritually mature How do we become spiritually mature There's only one way and it's called discipleship However statistics show that discipleship is in a state of crisis today Many Christians are not growing in Christ and are stuck in the process of reaching spiritual maturity A Barna study reveals that almost nine out of ten senior pastors of Protestant churches assert that spiritual immaturity is one of the most serious issues facing the church Sadly what discipleship meant in the time of Christ and what it means today is vastly different Moreover the importance Christ and the Apostles gave to discipleship is also stunningly different than the importance many Christians and churches today give it Unlike the disciples who had much of Scripture memorized a whopping 81% of Christians today don't read their Bibles regularly Unlike Christ's disciples who were Fishers of Men 61% of believers today have not shared their faith in the past six months And sadly unlike Christ and the Apostles who made discipleship the central focus of their ministries 81% of pastors today have no regular discipleship programs in their churches Discipleship is being neglected today and the consequences are crippling many Christians and churches This book hopes to change that Chapter 1 focuses on the state of discipleship today and exposes the sad truth that it's in crisis mode Chapter 2 reveals 13 key factors contributing to the lack of discipleship today Chapter 3 defines biblical

discipleship based on central phrases Christ used in His ministry Chapter 4 brings to light 14 essential components of the discipleship making process that must be understood and practiced in order to attain spiritual maturity Chapter 5 provides practical how to help for growing in Christ It includes self assessment tests for measuring your level of spiritual maturity in each essential component of discipleship and gives hands on useful ideas for taking steps toward spiritual maturity Discipleship is a command for all believers and is our highest calling This book provides biblical help for fulfilling this calling and seeks to discover what God says about genuine growth in Christ It s both an informative book and a how to book It deals with the barriers that are hindering discipleship and offers practical help for overcoming these barriers and attaining spiritual maturity So are you ready to grow Would you like to be pleasing to God Would you like to fulfill the reason for which you ve been created Would you like the full blessings of God in your life Would you like to become spiritually mature Would you like to hear Christ s words Well done good and faithful servant when you arrive in heaven If so this book is for you
