That Which They Can't See David Van Brugge,2025-01-20 In this retrieval study David Van Brugge addresses how the current understanding of a homiletical use of imagination for expository preaching might be strengthened The current need for strengthening becomes apparent when the various understandings of imagination and their implications for practical theology are realized This is compounded as trends in homiletics seem to minimize the imagination or embrace it in modern or postmodern ways The original contribution of this study is recognizing that the homiletical use of imagination can be strengthened by retrieving the Puritan baroque characteristics of Jonathan Edwards imagination as evidenced in his sermons to the Stockbridge Indians of 1751 1758 Edwards drew on a rich background to display an imagination that synthesized thoughts and ideas thought beyond the senses and that by the grace of God transformed thought and practice Through that creative thought Edwards maintained Biblical exposition and appeal to the affections Van Brugge further develops and evaluates the idea of Puritan baroque characteristics concluding that it is a helpful characterization of Edwards Stockbridge Indian sermons In these sermons Edwards imaginatively used imagery light space movement and glorification for the ultimate goal of directing the affections of his audience towards God Such a use of imagination for affective purpose becomes a key for the strengthening of a homiletical use of imagination today KJV, Spirit-Filled Life Bible, Third Edition Thomas Nelson,2020-11-03 Encounter the power of the Word Walk in the freedom God intends Experience the Holy Spirit The KJV Spirit Filled Life Bible provides a compelling look at Scripture and the work of the Holy Spirit now in full color with updated features This bestselling Bible draws on the expertise of an expanded team of respected Spirit led scholars led by Pastor Jack Hayford founding pastor of The Church on the Way and chancellor of The King s University With over 2 million copies sold the KJV Spirit Filled Life Bible continues to equip God s people to live in His kingdom exercise gifts of the Spirit and lay hold of God s promises Features include Full color design with updated maps and charts a detailed KJV concordance and in depth articles about Spirit filled life Word Wealth More than 650 word studies shed light on key terms drawing important meaning from the original Greek and Hebrew Kingdom Dynamics Biblical themes from Spirit filled preachers teachers and writers Truth In Action Handy helpful thematic charts provide practical application from every book of the Bible Praying the Word 192 guided prayers based on significant passages of Scripture Detailed book introductions and outlines help you to learn

Light and Images Adrienne von Speyr, 2012-04-02 One of Adrienne von Speyr's most cherished concerns was to rekindle Christians' desire for contemplation and thus to renew the Church's prayer Light and Images is one of the most important of her works on the subject She sets forth the deepest theological foundations of contemplative prayer according to the reciprocal relationship between light and images Like the simple images that open up infinite depths to the eye of faith this little book contains an overwhelming wealth of insight into contemplation One comes away from it with a vastly transformed understanding of the nature of prayer and an appreciation for its irreplaceable role in Christian life With its disarmingly simple language Light and Images is immediately accessible and yet the new perspectives it offers on prayer surprise and challenge at every turn The book is therefore both an incomparable introduction for those who wish to learn what it means to pray and excellent spiritual reading for those seeking to draw more deeply from the Church's great treasury of prayer
