Materiality in Roman Art and Architecture Annette Haug,Adrian Hielscher,M. Taylor Lauritsen,2021-12-31 The focus of this volume is on the aesthetics semantics and function of materials in Roman antiquity between the 2nd century B C and the 2nd century A D It includes contributions on both architectural spaces and their material design and objects types of artefacts that differ greatly in the way they were used perceived and loaded with cultural significance With respect to architecture the analysis of material aesthetics leads to a new understanding of the performance imitation and transformation of surfaces including the social meaning of such strategies In the case of objects surface treatments are equally important However object form a specific design category which can enter into tension with materiality comes into particular focus Only when materials are shaped do their various qualities emerge and these qualities are to a greater or lesser extent transferred to objects With a focus primarily on Roman Italy the papers in this volume underscore the importance of material design and highlight the awareness of this matter in the ancient world *Brain Theory* Gordon L. Shaw,G  nther Palm,1988 This volume consists of 44 classic and important contributions to brain theory before the enormous

growth in interest and publications began in 1983 These papers span the topics of fundamental foundations concepts analysis and simulation of network dynamics memory information processing and physical spin analogies **Fenua and Fare, Marae and Mana** Jennifer G. Kahn, 2025-05-31 In 1767 the shores of Tahiti first appeared in the sights of Captain Samuel Wallis and ever since this tropical locale has captured the imagination of explorers merchants missionaries historians anthropologists archaeologists and others Fenua and Fare Marae and Mana brings readers back to the time before European contact starting with the settlement of the archipelago by Polynesian voyagers or the M ohi some 1 000 years ago From the massive stone ruins of chiefly households agricultural terraces and religious temples marae to sacred foods clothing and war cults Jennifer G Kahn delves into every aspect of M ohi life Drawing on current anthropological and archaeological research and data from her own field research and that of others Kahn explores the development of M ohi politics economies religion and social relationships and their connections to the local environment Anthropologists and archaeologists have previously investigated how ecology and natural resources demographic growth and cultural factors such as status rivalry religion and ideology spurred sociopolitical changes in the Society Islands But how did M ohi settlements coalesce into the powerful chiefdoms encountered by Captain Cook in the late 1700s Synthesizing a vast amount of archaeological data oral histories and historical accounts Kahn traces changes in M ohi material culture land use diet subsistence agriculture settlement patterns environment and residential and ritual architecture to present the first authoritative cultural sequence for the pre contact Society Islands She also addresses a long standing debate in historical anthropology by arguing that M ohi society had multiple tiers of chiefs and settlement hierarchies prior to European contact thus forming a complex chiefdom Integrating anthropology archaeology indigenous history and theory Kahn lays out a new model for interpreting complex chiefdoms that blends bottom up and top down perspectives on social change With special attention to inequality and environmental change Fenua and Fare uses collective action theory to develop a more nuanced political history of social change offering fresh insight on the lives and interactions of commoners land managers high chiefs and secondary chiefs Readers will come away with a new appreciation for how social inequality blooms and grows not just in the Society Islands but elsewhere in Polynesia and beyond **Priests, Tongues, and Rites** Jacco Dieleman, 2005-05-01 This book is an investigation into the sphere of production and use of two related bilingual magical handbooks found as part of a larger collection of magical and alchemical manuscripts around 1828 in the hills surrounding Luxor Egypt Both handbooks dating to the Roman period contain an assortment of recipes for magical rites in the Demotic and Greek language The library which comprises these two handbooks is nowadays better known as the Theban Magical Library The book traces the social and cultural milieu of the composers compilers and users of the extant spells through a combination of philology sociolinguistics and cultural analysis To anybody working on Greco Roman Egypt ancient magic and bilingualism this study is of significant importance **Dynamics of Desacralization** Paola Partenza, 2015 The idea of desacralization has become almost

commonplace attributing to the word the rejection of what is sacred One might think that it is strictly connected to theology and its system or suppose that it implies the relationship human beings have with anything that can express a denial of the spiritual part of life The concept of desacralization has numerous meanings either from a philosophical or a literary viewpoint The scholars investigation of Dynamics of Desacralization has made this collection of essays rich and varied revealing new worlds the different authors have created What they do is to narrate various types of desacralization interrogating the nature of novels poems or works of art certain aspects of being are revealed through various expressions engaging the multiple levels and the meaning of desacralization providing an articulation and interpretation of it
