Submissive Training Manual:

Dom's Guide To Submissive Training Elizabeth Cramer, 2013-11-22 A Dom sub relationship doesn't just happen. It is a finely crafted and designed system of expectations and joys. In order for you and your submissive lady to fit one another and create a lasting happy union, there must be a period of training. It does not matter if your sub has thirty years of experience in submission or just read 50 Shades of Grey and decided to try it herself. She will need to be trained for the best relationship to emerge. Dom's Guide to Submissive Training was specifically written for doms masters. It is designed to provide you with a step by step blueprint on how to train your new sub. It goes from preparation all the way down to the closing ceremony including advanced techniques tips. Training can be one of the most exciting, challenging and fun parts of the relationship. A well trained sub will not only serve you in the capacity you deserve but will have built up the two most important elements in any BDSM relationship: trust and consistency. Following the instructions in this guide will allow you to show yourself as a worthy master who is in control, experienced and able to guide you both to the best possible life. **Submissive Training**

Elizabeth Cramer, 2015-03-05 Nothing will prepare you for a life of submission in the same way as your formal training. Submissive training isn't just a good idea when it comes to creating a BDSM relationship. It is essential. Submissive Training 23 Things You Must Know About How To Be A Submissive is designed to help you know what to expect when you go through training with a new Dom. Every couple is unique and every Dom may have different ways of teaching you the systems of service he prefers. However, these are the basics all trained subs and slaves learn and employ in daily life. Rushing into a relationship or service contract with a Dom without training puts the future of your time together at risk. All of the arguments, resistance, misunderstandings and hurt feelings that go with a new submissive's experiences can be eradicated by a period designated for learning, listening, trial and error. Even if you have been with a previous Dom, you will need to go through an abbreviated training time to ensure your patterns and understandings match one another. Training is a way to get in the same rhythm and find the perfect groove. If you are a Dom, this guide is the perfect gift to give to your new sub. If you are a sub, this guide will teach you how to go through your submissive training. As you go through these things on the journey to become the woman you were made to be, you will be tested but you will also be proud, joyful and perhaps for the first time in your life, you will be at peace. **The Advanced Dom's Guide To Submissive Training**

Elizabeth Cramer, In this advanced guide for Doms, we're going to focus on becoming a billionaire type of Alpha Dom so that you can become more attractive to the subs you offer your services to. You are soon going to find out that money actually has nothing to do with the attraction the Dom builds with the sub. It's all in personality, in posturing and in a certain way of thinking. We're going to train you, Dom, to Dom: how to activate that attraction and more importantly, how to come across as a worldly wise educator to a sub that needs someone strong, smart and creative in her life. By the time you finished this book, you will be well on your way to become Alpha Dominant, Valuable, Educated, Confident. And the famous billionaire charm that will make you irresistible. Dom's
