In Gender and the Abjection of Blackness Sabine Broeck argues that gender studies as a mostly white field has taken insufficient account of Black contributions and that more than being an ethnocentric limitation or blind spot this has represented a structural anti Blackness in the field Engaging with the work of Black feminist authors Sylvia Wynter Hortense Spillers and Saidiya Hartman Broeck critiques a selection of canonical white gender studies texts to make this case The book discusses this problem at the core of gender theory as a practice which Broeck terms enslavism the ongoing abjection of Black life which Hartman has called the afterlife of slavery This has become manifest in the repetitive employment of the woman as slave metaphor so central to gender theory as well as in recent theoretical mutations of these anti Black politics of analogy It is the structural separation of Blackness from gender that has functioned over and over again as the scaffold enabling white women s struggles for successful recognition of equality and subjectivity in the human world as we know it This book challenges white readers to rethink their own untroubled identification with gender theory and it provides all readers with a white feminist theorist s sophisticated theoretical and self critical scholarly account of her own reckoning with and learning in dialogue from Black feminism s critique Broeck draws on a wide range of experience to provide a frame for rethinking gender as category that can work towards something like Black freedom Most importantly Black theoretical insights in this work move beyond intervention to offer a whole new way of being and the author grapples with the new conceptual terrain she is now occupying Rinaldo Walcott author of Queer Returns Essays on Multiculturalism Diaspora and Black Studies

Straight Writ Queer Richard Fantina, 2006-09-27 The advent of gay and lesbian studies as an academic field opened the door for a new exploration of sexuality in literature Here works generally considered heterosexual are re examined in the light of queer theory The notion of homosexuality is viewed as a social construction that emerged during the 19th century with a definitive difference between biological sex and gendered behavior Heterosexuality is determined by whether sexual performance conforms to society designated gender roles From this wider perspective this book examines literature previously viewed as straight in a search for alternative manifestations of desire and performance relationships that contain an apparent disconnect between gender and desire With broad coverage of many periods authors and genres the 17 essays identify inherently queer heterosexual practices and critique the idea of heteronormativity blurring the line between homo and heterosexuality Topics discussed include sodomy and chastity Victorian literature the relationship between sex gender and desire and the instability in literary portrayals of gender and sexuality George Eliot George Meredith Ernest Hemingway and Rider Haggard are among the many authors discussed

Burns, 2016-12-09 Adoniram Judson was not only a historic figurehead in the first wave of foreign missionaries from the United States and a hero in his own day but his story still wins the admiration of Christians even today Though numerous biographies have been written to retell his life story in every ensuing generation until now no single volume has sought to comprehensively synthesize and analyze the features of his theology and spiritual life His vision of spirituality and religion certainly contained degrees of classic evangelical piety yet his spirituality was fundamentally rooted in and ruled by a mixture of asceticism and New Divinity theology Judson's renowned fortitude emerged out of a peculiar missionary spirituality that was bibliocentric ascetic heavenly minded and Christocentric The center of Adoniram Judson's spirituality was a heavenly minded self denying submission to the sovereign will of God motivated by an affectionate desire to please Christ through obedience to his final command revealed in the Scriptures Unveiling the heart of his missionary spirituality Judson himself asked What then is the prominent all constraining impulse that should urge us to make sacrifices in this cause And he answered thus A supreme desire to please him is the grand motive that should animate Christians in their missionary efforts **Women, Feminist Identity, and Society in the 1980's** Myriam Díaz-Diocaretz, Iris M. Examining what the latest science tells us about the brain's reward systems love and sex Dr Kenneth Paul Rosenberg reveals what drives men and women to cheat and what they can do about it. At a time when America's pornography obsession rises to the level of a competing sexual interest when is porn a problem and when does it count as infidelity? Victorian England a Jesuit priest writes of wrestling with God at night limbs entangled an Anglican sister begs Jesus her divine lover to end her aching anticipation of their union a clergyman exhorts nuns to study the example of medieval women who suffered on the rack in order to become brides of Christ Alongside the march of nineteenth century progress ran a seemingly paradoxical fascination with a dark erotically suggestive side of religious devotion the figuration of the Christian God as a heavenly bridegroom who doles out punishment to his bride the individual soul Through innovative case studies of Victorian religious poetry Amanda Paxton reveals that while the punitive model proved a convenient rhetorical tool with which to deflate burgeoning nineteenth century campaigns for women s rights and challenges to Church authority in the hands of several writers it also provided a means of resisting patriarchal institutions and interrogating distinctions between science and religion *Willful Submission* is the first full length volume to examine the interplay of sex suffering and religion as a touchstone in Victorian culture and verse

The war-songs of the Prince of peace, a devotional comm. on the Psalter, by R.M. Benson Richard Meux Benson,1901 **Summary of Anton Fulmen's The Heart of Dominance**
