

THE ROYAL INSTITUTION OF NAVAL ARCHITECTS

Guidance On The Professional Review Report

INTRODUCTION

All candidates for election or transfer to Corporate member (FRINA and MRINA) and registration (if required) with the Engineering Council as CEng, IEng or EngTech are required to undertake a **Professional Review** to demonstrate that they have achieved the required standards of professional competence and commitment.

The Professional Review consists of a **Report**, which may be followed by an **Interview**.

*These guidance notes should be read in conjunction with the **Guidance on applying for Corporate membership and Guidance on applying for Registration**.*

PROFESSIONAL REVIEW REPORT

Structure of the Report

The Report should be between 3000-5000 words, and be written in chronological order, ending with the candidate's current employment. It should be typed on A4, single side, or should be submitted electronically. It is recommended that the Report should be written in three parts:

PART 1

Part 1 of the Professional Review Report should provide a career summary to date, eg dates, company/organisation, position and nature of nature of employment.

PART 2

Part 2 of the Professional Review Report should describe in detail the activities which have contributed directly to achieving the required standards of professional competence, as defined in the Professional Development Objectives, including where applicable:

- Nature of the activity, eg purpose, technical content, etc.
- Duration of the activity, eg start/completion, accumulated time.
- Resources involved, eg manpower, financial, etc.
- Personal involvement and level of responsibility, eg who the candidate was accountable to, number of staff responsible to the candidate.
- How the activity contributed to achieving the candidate's Professional Development Objectives.

PART 3

Part 3 of the Professional Review Report should record those activities which have contributed indirectly to the candidate's professional development, such as attendance at training courses and conferences; preparation and presentation of engineering papers or articles; participation in Institution activities, e.g. Branch technical meetings; etc.

Professional Development Objectives

Although the route to Corporate membership may be different for every candidate, the Institution requires that all candidates for Corporate membership and registration (if required) should have achieved professional competencies in a range of activities relevant to the design, construction and maintenance of marine vessels.

Submitted Professional Review Report Ships Introduction

In today's digital age, the availability of Submitted Professional Review Report Ships books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Submitted Professional Review Report Ships books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Submitted Professional Review Report Ships books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Submitted Professional Review Report Ships versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Submitted Professional Review Report Ships books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Submitted Professional Review Report Ships books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Submitted Professional Review Report Ships books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and

historical documents. In conclusion, Submitted Professional Review Report Ships books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Submitted Professional Review Report Ships books and manuals for download and embark on your journey of knowledge?
