Subversion A Tayt Waters Mystery:

Subversion J. P. Choquette, 2014-11-11 Tayt Waters didn't want to become a private investigator too much red tape and too little action Instead she's started a legitimate securities firm where she works hard and struggles to pay the bills But that's not Tayt's only job She also helps women in need who call her with the code phrase sunflower specials An after hours vigilante Tayt tracks down abusive husbands errant boyfriends and deadbeat dads to give them a taste of their own medicine When her estranged father arrives in her office disheveled and panicked Tayt is drawn into a case she'd rather not touch a young woman murdered and her father the key suspect As she works to prove her father's innocence Tayt becomes ensnared in an underground ring of human trafficking drugs and murder

Restitution J. P. Choquette, 2015-08-19 Tayt Waters doesn't try to get herself into hair raising predicaments it just happens Returning to work at her security firm following an unexpected medical leave Tayt finds herself starring in a whole new round of adventures Tangling with a philanthropist farmer who is anything but the upstanding member of the community he pretends to be and looking for the missing boyfriend of a local debutante are only the beginning Throw in a bachelor party with a surprise guest a stalker a potential love interest and a Glock and Tayt may just win the title of busiest woman in Franklin County Vermont As Tayt's escapades race along at break neck speed she must decide how far she is willing to go to protect an innocent teen girl Will the after hours vigilante save the day or will Tayt find herself in a perilous situation she can't escape from Power and Resistance Wayne

Antony, Jessica Antony, Les Samuelson, 2020-05-06T00:00:00Z How do we make sense of the social problems that continue to plague Canadian society Our understanding of issues such as poverty racism violence homophobia crime and pollution stems from our view of how society is structured From the dominant neoliberal perspective social problems arise from individuals making poor choices From a critical perspective however these social troubles are caused by structural social inequalities Disparities in economic social and political power that is relations of power based on class race gender and sexual orientation are the central structural element of capitalist patriarchal colonialist societies The contributors to **Power and Resistance** use this critical perspective to explore Canadian social issues such as poverty colonialism homophobia violence against women climate change and so on This sixth edition adds chapters on the corporatization of higher education the lethal impacts of colonialism democracy the social determinants of health drug policy and sexual violence on campus

Violent Encounters Deborah Lawrence, Jon Lawrence, 2012-09-13 Merciless killing in the nineteenth century American West as this unusual book shows was not as simple as depicted in dime novels and movie Westerns The scholars interviewed here experts on violence in the West embrace a wide range of approaches and perspectives and challenge both traditional views of western expansion and politically correct ideologies The Battle of the Little Big Horn the Sand Creek Massacre the Battle of the Washita and the Mountain Meadows Massacre are iconic events that have been repeatedly described and analyzed but the interviews included in this volume offer new points of view Other events discussed here are little known today such as the Camp Grant

Massacre in which Anglo Americans Mexican Americans and Tohono O odham Indians killed more than a hundred Pinal and Aravaipa Apache men women and children In addition to specific events the interviews cover broader themes such as violence in early California hostilities between the frontier army and the Sioux including the Santee Sioux Revolt and Wounded Knee and violence between European Americans and Great Basin tribes such as the Bear River Massacre The scholars interviewed include academic historians public historians an anthropologist and a journalist The interview format provides insights into the methodology and tools of historical research and allows questions and speculations often absent from conventional written accounts The scholars share their latest thoughts on long standing controversies address the political uses often made of history and discuss the need to incorporate multiple viewpoints Scholars and students of history and historiography will be fascinated by the nuts and bolts information about the practice of history revealed in these interviews In addition readers with specific interests in the events discussed will gain much new information and many fresh insights
