Grammatical Studies in Sueno and Iduna ,1976 **The Art of Teaching Spanish** Rafael Salaberry,Barbara A. Lafford,2006-12-08 The Art of Teaching Spanish explores in depth the findings of research in second language acquisition SLA and other language related fields and translates those findings into practical pedagogical tools for current and future Spanish language instructors This volume addresses how theoretical frameworks affect the application of research findings to the teaching of Spanish how logistical factors affect the way research findings can be applied to teach Spanish and how findings from Spanish SLA research would be applicable to Spanish second language teaching and represented in Spanish curricula through objectives and goals as evidenced in pedagogical materials such as textbooks and computer assisted language learning software Top SLA researchers and applied linguists lend their expertise on matters such as foreign language across curriculum programs testing online learning the incorporation of linguistic variation into the classroom heritage language learners the teaching of translation the effects of study abroad and classroom contexts on learning and other pedagogical issues Other common themes of The Art of Teaching Spanish include the rejection of the concept of a monolithic language competence the importance of language as social practice and cultural competence the psycholinguistic component of SLA and the need for more cross fertilization from related fields *Mi lengua* Ana Roca,M. Cecilia Colombi,2003-04-17 An increasing number of U S Latinos are seeking to become more proficient in Spanish The Spanish they may have been exposed to in childhood may not be sufficient when they find themselves as adults in more demanding environments academic or professional Heritage language learners appear in a wide spectrum of proficiency from those who have a low level of speaking abilities to those who may have a higher degree of bilingualism but not fluent Whatever the

individual case may be these heritage speakers of Spanish have different linguistic and pedagogical needs than those students learning Spanish as a second or foreign language The members of the American Association of Teachers of Spanish and Portuguese AATSP have identified teaching heritage learners as their second greatest area of concern after proficiency testing Editors Ana Roca and Cecilia Colombi saw a great need for greater availability and dissemination of scholarly research in applied linguistics and pedagogy that address the development and maintenance of Spanish as a heritage language and the teaching of Spanish to U S Hispanic bilingual students in grades K 16 The result is *Mi lengua Spanish as a Heritage Language in the United States* *Mi lengua* delves into the research theory and practice of teaching Spanish as a heritage language in the United States The editors and contributors examine theoretical considerations in the field of Heritage Language Development HLD as well as community and classroom based research studies at the elementary secondary and university levels Some chapters are written in Spanish and each chapter presents a practical section on pedagogical implications that provides practice related suggestions for the teaching of Spanish as a heritage language to students from elementary grades to secondary and college and university levels

Mohr, 1999 This book describes the essential components of any teacher researcher group Part I describes an experience a process that aids teacher researchers in completing a study Part II reexamines the issues and questions surrounding teacher research as they have both shifted and steadied over the years Part III consists of research articles written by teacher researchers Learning School Learning To Write Bob Ingalls Independent Reading Just Do It Julia Lindquist Drawing Another Path to Understanding Theresa Manchey Targeted Students The Fifty Kids Marian M Mohr What Happens When Students Engage in Peer Interaction during the Writing Process Diane Painter Becoming Members of the Math Club Betsy Sanford and The Gong Show Some Things I Learned about Evaluating Writing Tony Tendero Part IV presents resources for teacher researchers networks both online and off where other teacher researchers offer discussion response and drafts of their work information on grants available to teacher researchers descriptions of courses and contexts for conducting teacher research and a bibliographic essay of suggested reading

RS Learning and Not Learning in the Heritage Language Classroom Kimberly Adilia Helmer, 2020-02-13 Learning and Not Learning in the Heritage Language Classroom a critical ethnography describes the first year of a teacher founded charter high school and presents a case study of compulsory Spanish heritage language instruction with two Spanish language teachers one English dominant and the other Spanish dominant The study follows the same cohort of Mexican origin students to their humanities English class bringing into focus what works and what does not with this group of learners Unlike many Spanish heritage language studies the students in this book did not choose to take part in Spanish class and thus provide unusually raw feedback on their teachers and classes The engagement and resistance of these students suggests pedagogical directions for engaging Spanish heritage language learners The book will be of interest to scholars administrators students and teachers involved in the

delivery and assessment of heritage language classes

Spanish in Bilingual and Multilingual Settings around the World Gregory Thompson, Edwin Lamboy, 2012-11-27 This handbook is unique in its focus on bilingual theories issues on the teaching of bilinguals bilingual policies abroad and current research on bilinguals as all of this related in some way to the Spanish speaking world There is currently no other book like it available despite the growing number of courses teaching Spanish Bilingualism It is anticipated that this new handbook will be of great interest to linguists sociolinguists language acquisitionists as well as teachers who deal with topics relating to bilingualism as it relates to Spanish speakers around the world Though work has been done looking at bilingualism and multilingualism this book provides a valuable addition that deals with an area where a comprehensive work such as this is indeed lacking
