Sue's Recipes Susan Hutt, 2012-11 Susan Hutt has always loved to cook as far back as she can remember As a child she wanted to help her mother in the kitchen and witness her creativity with the little she had to cook with She always knew that when she grew up she would be able to cook just like her So throughout the years she gathered lots of cooking knowledge and recipes along the way from her grandmother aunts and friends The years of written recipes scribbled on pieces of paper that were piled up in a box was overwhelming but now are finally typed and put together in this book of so many recipes cooked with lots of love for all of you to enjoy It is what she would call an all purpose cookbook because it has everything you could possibly imagine in it

Henley's Formulas, Recipes and Processes (Applied Chemistry) Various, 2020-12-17 Henley's Formulas Recipes and Processes is a compilation of ten thousand selected household and workshop formulas recipes processes and money saving methods for the practical use of manufacturers mechanics housekeepers and home workers Each recipe from this book is to be regarded as a basis of experiment to be modified to suit the particular purpose in hand or the peculiar conditions which may affect the experimenter Chemicals are not always of uniform relative purity and strength heat or cold may markedly influence the result obtained and lack of skill in the handling of utensils and instruments may sometimes cause failure In some instances a series of formulas is given which apparently differ but slightly in their ingredients This has been done on the principle that one or more may be chosen for the purpose in hand Apart from the modern methods and formulas old recipes and so called trade secrets which have proven their value by long use are also included in this useful edition

Recipes for the Assyrian 'Palette' Nineva Ishaya Vieth, 2024-12-02 In our rapidly changing world with an eye constantly looking to the future it's easy to forget our past and the forces that have shaped how we came to be who we are today As an Assyrian I'm privileged to belong to one of the oldest and rarest ethnic minorities in the world It was with this in mind that I set out to create a comprehensive cookbook with ancient and modern recipes that make up the palette or the hues of the Assyrian palate Most of the recipes contained in this book have been handed down from one generation to the next through word of mouth and thus consistency and precision in measurements have generally been hard to come by I

wanted this cookbook to be user friendly that is to say recipes containing precise measurements with easy to follow instructions so that anyone whether Assyrian or non Assyrian could make and enjoy foods that are part of our heritage The Middle East is a vast region made up of several ethnic peoples that have conquered and been conquered for thousands of years Where they ended up settling had an impact on the culture and even the cooking of that ethnic group This is what happened to the Assyrians For centuries the majority of Assyrians lived in either Iraq or Iran therefore over time indigenous recipes were modified to adjust to the availability of ingredients in those specific regions and new recipes were adopted from host countries as well The recipes in this cookbook reflect the Assyrian palette influenced by Iranian cuisine ingredients spices methods etc Assyrian cooking has also crossed over into European cultures and vice versa You may have noticed a play on the word palette in the title of this cookbook The proper spelling of the word when it refers to the mouth and taste is palate However because of the mixed culinary artistry of Assyrian cooking I chose to use the word which we use when referring to an artist s easel of colors palette In addition public awareness about the Assyrian people is not widespread and therefore to add an educational twist to this cookbook along with each recipe I ve added an interesting excerpt about Assyrians to give the reader a greater appreciation and understanding of the vast history and culture of the people behind these beloved recipes I hope this updated and expanded version of my originally published 1994 edition will allow you to enjoy creating these wonderful dishes while learning more about Assyrians and our ancient heritage
