

POPPIE

The background of the cover is a painting of a vast, flat landscape. In the foreground and middle ground, there are thousands of small, rectangular objects, possibly tiles or stones, scattered across the ground. These objects are in various colors, including shades of red, orange, yellow, and brown. The ground itself appears to be a mix of dark and light patches. In the distance, a flat horizon line separates the land from a sky filled with soft, colorful clouds in shades of pink, orange, and yellow, suggesting a sunset or sunrise. A single, small, dark object is visible on the horizon line.

Summary Of Poppie By Elsa Joubert:

Elsa Joubert's The Long Journey of Poppie Nongena, 1981 *The Long Journey of Poppie Nongena* Elsa Joubert, 2019-10-20 Poppie Nongena's arduous journey covers 40 years of South Africa's history sweeping through the riots of Sharpeville Soweto and Cape Town on to an indefinite but unpromising future The plot reflects the brutality and injustice of the Apartheid system while Elsa Joubert's characterisations reflect the courage and fortitude of people in the face of hardship and difficulty Poppie's contented childhood in the Cape's countryside came to an end when she married a migrant worker and was forced by the authorities to move with him and their young family to the unfamiliar and bewildering city of Cape Town No sooner had she established her roots in the new township when the laws changed and she was informed of her obligation to relocate to the Ciskei her husband's homeland He as a migrant worker was permitted to remain in the Cape to work Over a ten year period Poppie fought the heinous pass law system winning limited extensions to the permit that would allow her to live and work in Cape Town and enable her to keep the family together and provide an education for her children Her own anger was shared by thousands and inevitably the brooding undercurrent of discontent exploded throughout South Africa Suddenly there were no further extensions Poppie and her children were forcibly removed from their home and resettled in a new township hundreds of miles away near East London *The Long Journey of Poppie Nongena* is an epic tale of the endless adversity and struggle of a humble black woman under Apartheid laws Poppie emerges from being a simple country girl to becoming an archetypal heroine of South Africa

African Novels in the Classroom Margaret Jean Hay, 2000 Many teachers of African studies have found novels to be effective assignments in courses In this guide teachers describe their favourite African novels drawn from all over the continent and share their experiences of using them in the classroom

Third World Women's Literatures Barbara Fister, 1995-09-14 This reference volume serves as a companion to Third World women's literatures in English and in English translation by presenting entries on works writers and themes Entries are chosen to present a balance of well known writers and emerging ones contemporary as well as historical writers and representative selections of genres literary styles and themes What plays have been written by women in the developing world What books have been written by Sri Lankan or Brazilian women Which works address themes of feminism or exile or politics in the Third World These are the types of questions that can now be answered through Fister's companion to Third World women's literatures in English and English translation Organized alphabetically this reference volume presents entries on works writers and themes Entries are chosen to present a balance of well known writers and emerging ones contemporary as well as historical writers and representative selections of genres literary styles and themes By providing information about and leads to works by and about Third World women an important and largely marginalized literature Fister has created a unique reference tool that will help teachers scholars and librarians both public and academic expand their definitions of the literary making the voices of Third World women available in the same format in which many companions to Western

literature do An important book for all public and college level libraries **Elsa Joubert's The Long Journey of Poppie Nongena** Munger Africana Library,1981 **Dictionary of African Biography** Emmanuel Kwaku Akyeampong,Professor Henry Louis Gates, Jr.,2012-02-02 From the Pharaohs to Fanon Dictionary of African Biography provides a comprehensive overview of the lives of the men and women who shaped Africa s history Unprecedented in scale DAB covers the whole continent from Tunisia to South Africa from Sierra Leone to Somalia It also encompasses the full scope of history from Queen Hatsheput of Egypt 1490 1468 BC and Hannibal the military commander and strategist of Carthage 243 183 BC to Kwame Nkrumah of Ghana 1909 1972 Miriam Makeba and Nelson Mandela of South Africa 1918 **Trauma, Memory, and Narrative in the Contemporary South African Novel** ,2012-01-01 The contributions to this volume probe the complex relationship of trauma memory and narrative By looking at the South African situation through the lens of trauma they make clear how the psychic deformations and injuries left behind by racism and colonialism cannot be mended by material reparation or by simply reversing economic and political power structures Western trauma theories as developed by scholars such as Caruth van der Kolk Herman and others are insufficient for analysing the more complex situation in a postcolony such as South Africa This is because Western trauma concepts focus on the individual traumatized by a single identifiable event that causes PTSD Post Traumatic Stress Disorder What we need is an understanding of trauma that sees it not only as a result of an identifiable event but also as the consequence of an historical condition in the case of South Africa that of colonialism and more specifically of apartheid For most black and coloured South Africans the structural violence of apartheid s laws were the existential condition under which they had to exist The living conditions in the townships pass laws relocation and racial segregation affected great parts of the South African population and were responsible for the collective traumatization of several generations This trauma however is not an unclaimed and unclaimable experience Postcolonial thinkers who have been reflecting on the experience of violence and trauma in a colonial context writing from within a Fanonian tradition have on the contrary believed in the importance of reclaiming the past and of transcending mechanisms of victimization and resentment so typical of traumatized consciousnesses Narration and the novel have a decisive role to play here **The Bounds of Race** Dominick LaCapra,2018-08-06 The concept of race is central to one of the most powerful ideological formations in history Dominick LaCapra argues in his introduction to this volume and understanding the effects of that ideology and its intricate relations with issues of class and gender is one of the most pressing challenges to contemporary modes of thought The eleven essays comprising The Bounds of Race confront this challenge with insight rigor and imagination The authors take on questions of language genre and politics with reference to African American Anglo American African South African Francophone North African British and Afro Hispanic texts Individual chapters discuss writings from an array of genres including homily autobiography the novel children s literature and political and scientific discourse Taken together the essays argue persuasively that the existing canon must be expanded that the protocols of

interpretation must be transformed to make a prominent place for such issues as race and that the problem of interpretation cannot be posed in the absence of theoretically informed modes of historical investigation The Bounds of Race provides a subtle analysis of the variable role of racial ideologies and traces the interplay between hegemonic constraints and the strategies of resistance to them
