Development Cooperation in Times of Crisis

José Antonio Alonso,José Antonio Ocampo,2012-07-17 Leading governments undertook extraordinary measures to offset the

2008 economic crisis shoring up financial institutions stimulating demand to reverse recession and rebalancing budgets to alleviate sovereign debt While productive in and of themselves these solutions were effective because they were coordinated internationally and were matched with sweeping global financial reforms Unfortunately coordination has weakened after these initial steps indicating one of the crisis's adverse effects will be a significant reduction in development cooperation Urging advanced nations to improve their support for development the contributors to this volume revisit the causes of the 2008 collapse and the ongoing effects of recession on global and developing economies They reevaluate the international response to crisis and suggest more effective approaches to development cooperation Experts on international aid join together to redesign the cooperation system and its governance so it can accept new actors and better achieve the Millennium Development Goals of 2015 within the context of severe global crisis In their introduction Jos Antonio Alonso and Jos Antonio Ocampo summarize different chapters and the implications of their analyses concluding with a frank assessment of global economic imbalance and the ability of increased cooperation to rectify these inequalities Peterson's Colleges in the South, 2009 *Harvesting Feminist Knowledge for Public Policy* Devaki Jain, Diane Elson, 2011-11-03 *Harvesting Feminist Knowledge for Public Policy* brings together 14 essays by feminist thinkers from different parts of the world reflecting on the flaws in the current patterns of development and arguing for political economic and social changes to promote equality and sustainability The contributors argue that the very approach being taken to understand and measure progress and plan for and evaluate development needs rethinking in ways that draw on the experiences and knowledge of women All the essays in diverse ways offer proposals for alternative ideas to address the limitations and contradictions of currently dominant theories and practices in development and move towards the creation of a socially just and egalitarian world *WATER RESOURCES AND TOURISM PROMOTION IN TELANGANA STATE* Dr Jayaprakash Narayana Gade, Tourism is acclaimed to be one of the world's biggest revenue generating industries accounting for billions of dollars and thousands of jobs Technological innovations urbanization improvement in living standard introduction of fuel efficient cars made journeys relatively easier All these factors have generated a vibrant tourism activity and brought a bloom in domestic tourism The tourism sector is having multiplier effect on the economy and its contribution to the GDP is one of the highest and its ability to generate employment is much more than any other sector It is the largest single employer and industry in several island nations The World Travel Tourism Council calculated that tourism generated at an average annual rate of 7.9% from 2013 to 2023 This gives India the third rank among countries with the fastest growing tourism industries over the next decade India's rich history and its cultural and geographical diversity make its international tourism appeal large and diverse It presents heritage and cultural tourism along with medical business educational and sports tourism Water is an attractive element and plays an important role in recreation and holidays Rivers Lakes Waterfalls have an aesthetic significance for attracting tourists Today there are a number of established lake tourism destinations all over the world Water tourism assumes significance in the national

economies of several European and Asian countries There are several water based tourism destinations in the world which are very popular and drawing large number of both domestic and international tourists across the world In India such as Rivers Tanks Lakes and Waterfalls etc All these water bodies are sources of life for flora and fauna All the important cities in India have been developed on the banks of the Rivers and Lakes from Ancient times These water bodies provided irrigation facilities and became great centers of civilizations Those centers are also popular as pilgrimage canters since ancient times and are all also emerging as tourism destinations in modern times The author has tried to make harmonious blend of theory and practice which hopefully will make the book more useful to the students teachers and practicing tourism professionals The author would appreciate constructive comments and suggestions from the students teachers practicing tour planners and executives in the improvements of this book

A Decade of Disruption Garrett Peck,2020-06-02 An eye opening history evoking the disruptive first decade of the twenty first century in America Dubya The 9 11 terrorist attacks Enron and WorldCom The Iraq War Hurricane Katrina The disruptive nature of the internet An anxious aging population redefining retirement The gay community demanding full civil rights A society becoming ever more brown The housing bubble and the Great Recession The historic election of Barack Obama and the angry Tea Party reaction The United States experienced a turbulent first decade of the 21st century tumultuous years of economic crises social and technological change and war This lost decade 2000 2010 was bookended by two financial crises the dot com meltdown followed by the Great Recession Banks deemed too big to fail were rescued when the federal government bailed them out but meanwhile millions lost their homes to foreclosure and witnessed the wipeout of their retirement savings The fallout from the Great Recession led to the hyper polarized society of the years that followed when populists ran amok on both the left and the right and Americans divided into two distinct tribes A Decade of Disruption is a timely re examination of the recent past that reveals how we ve arrived at our current era of cultural division
