The Perils of

Pastor Paris Pearson Bill Smith, 2020-11-05 Rev Paris Pearson's dreams were about to come true. After a 10 year delay in his 5 year life's plan, he was about to move from his current ministerial position to the fulfillment of his vocational dream as a Senior Pastor at a down home country church. He would soon discover that there would be a lot more to this dream job than he could have ever imagined. He would soon learn that the people he went to pastor may have been sanctified but they were not yet glorified. This is the story of a young minister that with the help of a supportive family, a patient congregation, and a gracious Lord, he would begin his journey into building a legacy of caring service. *The Strategically Small Church* Brandon J. O'Brien, 2025-07-22 Small churches are the norm in America. 90 percent of churches see fewer than 200 weekly attendees. In this revised and expanded edition, Brandon O'Brien reveals how small churches aren't just surviving, they're thriving by leveraging their unique strengths. O'Brien explains that the smaller church is not a problem to solve or a liability to neutralize, but a strategic advantage that can be leveraged for effective ministry in a variety of contexts. Smaller congregations offer powerful ministry opportunities in an era craving authentic community. In this transformative book, you will learn from real world case studies of successful small churches making significant impact, unlock methods for higher lay involvement and commitment in smaller settings, discover why small churches encourage bridge building across age and lifestyle barriers, find help for implementing flexible strategies that larger churches struggle to adopt, explore how to meet the growing desire for services that are personal, local, and intimate. O'Brien shows how small churches can take full advantage of their size and analyzes how other churches can learn from their strategies. This new edition includes 20 percent new material and incorporates insights from O'Brien's thinking on local church ministry after nearly two decades serving pastors worldwide. It is perfect for church leaders, students, and ministry teams seeking to maximize their impact regardless of size and includes discussion questions for pastors. *The Son of My Father: The Memoir of a Preaching Minister/Educator* John W. Waters, PhD., 2023-11-22 About the Book As a sickly child, John W. Waters was told he would not live to five years old. His family large and dysfunctional was never any help, especially his father who said John would never amount to much even if he did live to see adulthood. At three, John's love of reading took over, and with each year that passed, he defied all the odds, not only living long enough to see himself become an adult, but earning top grades and graduating at the top of his class in high school. His father never attended his commencement. As his passion for religion and education grew, John earned his PhD in the Hebrew Bible and taught at several higher education institutions, ending his academic career as a chairperson of the Biblical Studies Department at the ITC in Atlanta. John's passion for the Lord is what drove him to begin a new career in ministry, beginning

as a youth minister and moving up through the ranks until he retired as a senior minister emeritus at the Greater Solid Rock Baptist Church Receiving many honors and awards throughout his life for his community and religious service John succeeded in a world where most thought he would fail and now writes his inspiring journey in this one of a kind memoir for those who were always told they would never succeed For those who see themselves as unworthy In the eyes of God you are and with hard work determination and a strong faith your journey can be just as fruitful About the Author John W Waters PhD enjoys reading listening to good music cooking and writing poetry After living for more than eight decades he no longer actively engages in civic and community activities as he had been

The Hireling Dennis H. Davenport, 2018-09-15 The Hireling is the story of a minister Samuel Gashler who is troubled by inner conflicts He is a professional pastor with deep issues in his heart and soul What he is on the outside is not necessarily what he is on the inside God is speaking to him but the pastor is having difficulty hearing him because of his personal pride ego and self promotion The pastor struggles in his relationships with others in church leadership His home life is also suffering Allan his second son is rebelling against his father and his father s religion But soon Pastor Gashler will experience a dramatic encounter with Jesus Christ
