Public Record Office, 1899 The Highland Guard Series 5-Book Bundle Monica McCarty, 2013-02-25 New York Times bestselling author Monica McCarty has established herself as a favorite in the world of Scottish romance. Her sensual Highland Guard novels, tales of elite warriors and the remarkable women they love, just keep getting better and better. Now the first five books in the series are available in one sizzling eBook bundle: THE CHIEF, THE HAWK, THE RANGER, THE VIPER, THE SAINT. With the death of William Wallace, Scotland's struggle for independence from English rule seems all but doomed to failure. But in her darkest hour, the torch for freedom will be lit once more by Robert the Bruce. Scouring the darkest corners of the Highlands, the Bruce handpicks ten warriors to form an elite fighting force unlike any the world has ever seen. They are the best of the best in each discipline of warfare: Tor, the Chief MacLeod, a swordsman without equal; Erik the Hawk MacSorley, a brilliant seafarer who has never encountered a wind he could not harness; or a woman he could not win, Arthur the Ranger Campbell, a renowned scout who blends into the shadows deep behind enemy lines; Lachlan the Viper MacRuairi, a stealthy rogue to enlist but not to trust; and Magnus the Saint MacKay, the ultimate Highlander, tough, resourceful, and able to navigate and survive in the most extreme of conditions. The warriors of the Highland Guard fight to defend their country, but they live to capture hearts. Praise for Monica McCarty and her Highland Guard novels: McCarty's gift lies in writing strong characters into wildly entertaining, often unexpected scenarios. The Washington Post: A master storyteller, McCarty breathes life into her memorable characters as they face dangerous adventures. The fresh plots, infused with romance and passion, are also brimming with history and drama. RT Book Reviews: McCarty creates an enjoyable romance with torrid chemistry, appealing characters, and believable historical situations.
