

Sigma Chi Pledge Study Guide

By Mr. McNutters

The Jordan Standard:

The standard with which the Fraternity started was declared by Isaac M. Jordan to be that of admitting no man to membership in Sigma Chi who is not believed to be:

- A Man of Good Character
- A Student of Fair Ability
- With Ambitious Purposes
- A Congenial Disposition
- Possessed of Good Morals
- Having a High Sense of Honor and A Deep Sense of Personal Responsibility

The Sigma Chi Creed:

I believe in fairness, decency, and good manners. I will endeavor to retain the spirit of youth. I will try to make my college, the Sigma Chi Fraternity, and my own chapter more honored by all men and women and more beloved and honestly respected by our own brothers. I say these words in all sincerity; that Sigma Chi has given me favor and distinction; that the bond of our fellowship is reciprocal, that I will endeavor to so build myself and so conduct myself that I will ever be a credit to our Fraternity.

The Spirit of Sigma Chi:

The Spirit of Sigma Chi, as conceived by the Founders over 150 years ago yet visible and alive today, is based on the theory that...

- Friendship among members, sharing a common belief in an ideal,...
- And possessing different temperaments, talents, and convictions,...
- Is superior to friendship among members having the same temperaments, talents, and convictions, and that...
- Genuine friendship can be maintained without surrendering the principle of individuality or sacrificing one's personal judgment.
