Silent Voices A Family Memoir:

Silent Voices Judith Favor, 2014-12-17 This memoir's unsparing look at Leo and Cordelia Wright has bite and gravity. Two quiet people viewed through the lens of compassion offers fresh perspectives on the multiple causes and consequences of unspoken emotion. In 1912 the banker and the stenographer fell wildly in love. They were wed and buried her mother shortly before becoming proud parents. In 1929 Leo lost his livelihood and his pride. The prickly silences began. In 1934 his jobless father abandoned his mother. The bank foreclosed leaving Margaret Mary Wright homeless. Leo and Cordelia faced a tough decision. Eventually they packed his elderly mother off to Oregon's public institution for paupers. The silences increased in intensity and hostility. In 1942 Leo went to work building naval vessels in the Kaiser shipyard. A crime caused Cordelia to distrust him, dropping Leo into extended silences of longing, guilt, and hoped-for reconciliation. In 1945 he was killed. Cordelia, a widow now with two adolescents to support, sought divine assistance on how to make a living. Prayerful silence soon led to her support of orphaned Japanese schoolgirls, a radical commitment in racist post-war Oregon. Across her lifespan, my grandmother experienced shaming silence, bonding silence, confusing silence, punishing silence, and finally revelatory silence. This memoir illustrates how the myriad facets of silence can impact personal and social relationships for harm or for healing.

A Child's Journey: Memoirs of a Family in Turmoil Pasquale De Marco, 2025-03-02 In *A Child's Journey: Memoirs of a Family in Turmoil*, Pasquale De Marco takes us on an emotional journey through the complexities of a dysfunctional family, unveiling the profound impact of childhood trauma on the human psyche. Through the eyes of a young protagonist growing up in the shadow of parental neglect and sibling rivalry, we witness the devastating consequences of a shattered family. With raw honesty and unflinching courage, Pasquale De Marco delves into the depths of their own experiences, painting a vivid portrait of a childhood marked by loneliness, isolation, and a desperate search for solace in unconventional places. As the family's dark secrets unravel, we are confronted with the haunting ghosts of abuse, addiction, and betrayal, revealing the insidious ways in which these hidden wounds can poison the hearts and minds of family members. Yet amidst the wreckage of a broken family, there glimmers a beacon of hope. The protagonist embarks on a transformative journey of self-discovery and healing, determined to break the cycle of pain that has plagued their lineage. With unwavering resilience, they confront the past and its lingering demons, navigating the treacherous terrain of forgiveness and closure. The path to healing is arduous, marked by setbacks and moments of doubt, but the unwavering determination to reclaim their life from the shadows of the past propels them forward. *A Child's Journey* is a poignant and powerful memoir that explores the lasting impact of childhood trauma and the indomitable spirit that can rise from the ashes of adversity. It is a story of survival and hope, a testament to the resilience of the human spirit. Pasquale De Marco invites us to walk alongside them as they navigate the tumultuous waters of a troubled childhood, bearing witness to the enduring power of the human spirit to triumph over adversity. This book is a must-read for anyone who has ever struggled with the wounds of their past, offering a beacon of hope and a reminder that even in

the darkest of times the light of healing can shine through illuminating the path towards a brighter future If you like this book write a review

War Stories Philip Dwyer,2016-11-01 Although war memoirs constitute a rich varied literary form they are often dismissed by historians as unreliable This collection of essays is one of the first to explore the modern war memoir revealing the genre s surprising capacity for breadth and sophistication while remaining sensitive to the challenges it poses for scholars Covering conflicts from the Napoleonic era to today the studies gathered here consider how memoirs have been used to transmit particular views of war even as they have emerged within specific social and political contexts

Sisters of Mokama Jyoti Thottam,2022-04-12 Sisters of Mokama is proof that faith and courage does move mountains Abraham Verghese author of Cutting for Stone The never before told story of six intrepid Kentucky nuns their journey to build a hospital in the poorest state in India and the Indian nurses whose lives would never be the same New York Times editor Jyoti Thottam s mother was part of an extraordinary group of Indian women Born in 1946 a time when few women dared to leave their house without the protection of a man she left home by herself at just fifteen years old and traveled to Bihar an impoverished and isolated state in northern India that had been one of the bloodiest regions of Partition in order to train to be a nurse under the tutelage of the determined and resourceful Appalachian nuns who ran Nazareth Hospital Like Thottam s mother s journey the hospital was a radical undertaking it was run almost entirely by women who insisted on giving the highest possible standard of care to everyone who walked through its doors regardless of caste or religion Fascinated by her mother s story Thottam set out to discover the full story of Nazareth Hospital which had been established in 1947 by six nuns from Kentucky With no knowledge of Hindi and the awareness that they would likely never see their families again the sisters had traveled to the small town of Mokama determined to live up to the pioneer spirit of their order founded in the rough hills of the Kentucky frontier A year later they opened the doors of the hospital soon they began taking in young Indian women as nursing students offering them an opportunity that would change their lives One of those women

of course was Thottam's mother. In *Sisters of Mokama* Thottam draws upon twenty years worth of research to tell this inspiring story for the first time. She brings to life the hopes, struggles, and accomplishments of these ordinary women, both American and Indian, who succeeded against the odds during the tumult and trauma of the years after World War II and Partition. Pain and loss were everywhere for the women of that time, but the collapse of the old orders provided the women of Nazareth Hospital with an opening, a chance to create for themselves lives that would never have been possible otherwise.

Betwixt and Between Brenda Ayres, 2017-06-15 *Betwixt and Between* identifies the biases, errors, and ambiguities that have run rampant in the biographies on Mary Wollstonecraft; many of them left unchecked and perpetuated from publication to publication. Brenda Ayres investigates the agenda, problems, and strengths of eighteen critical biographies, beginning with William Godwin's *Memoirs* (1798) and ending with Charlotte Gordon's *Romantic Outlaws* (2015), and including ten lesser-known biographies. *Betwixt and Between* synthesizes the biographies, exposes gaps and contradictions, and attempts to fill and reconcile them, supplying in the process considerable information on Wollstonecraft that has never before been published.

Indian and New Literatures in English Dr. Shuchita Srivastava, Dr. Sanjay Sharma, 2024-02-01 Purchase Book of Indian New Literatures in English for B.A. 6th Semester for all U.P. State Universities Common Minimum Syllabus as per NEP. Published By Thakur Publication. **Literary Secularism** Amardeep Singh, 2008-12-18 *Literary Secularism: Religion and Modernity in Twentieth Century Fiction* shows the path to secularization in the modern novel in comparative perspective. Writers as diverse as George Eliot, James Joyce, Salman Rushdie, Orhan Pamuk, Taslima Nasrin, and James Wood have all struggled with religious orthodoxy in their personal lives and are some of the most important and representative secular writers in the modern world canon. But their novels, which are far more than mere anti-religious manifestos, directly reflect the continued power of religious communities and institutions in the modern world. While religion is in a very real sense displaced from epistemological centrality in modernity, all of these writers suggest that religious texts, rituals, and communities have a force that is in George Eliot's words still throbbing in modern life. In a series of close readings, *Literary Secularism* argues that the intimate, often deeply ambivalent representation of religion is a key feature of modern writing and is central to the larger intellectual and historical project of modernity. *Literary Secularism* is then a complex literary ethos which impinges as much on style, language, and novelistic form as on theme. The close readings here of novels such as George Eliot's *Daniel Deronda*, Rabindranath Tagore's *Gora*, James Joyce's *Ulysses*, and Salman Rushdie's *The Satanic Verses* all hinge on the ambiguity of religious and secular discourses. In some cases, the ambiguity is expressed through the affective and embodied experience of the protagonists, whose private subjectivity often conflicts with their public identities. The conflict between present and private is also explored in a dedicated chapter on secularism and feminism in India, as well as with regard to the global crisis of secularism that has emerged following the terrorist attacks of 9/11. While the particular experiences of the various narratives vary somewhat from author to author, all of the authors in this study are interested in

defining a way of being secular that no sociological or ideological formula can fully describe Correspondingly while works of literature are certainly artifacts marking key moments in the history of secularisation literature by itself doesn't produce secularism in either the cultural or the political context In arguing for the literary as a historically specific social and cultural mode of secularity Literary Secularism offers a unique perspective on the problem of secularisation that may be of interest to fields such as literary criticism religious studies the sociology of religion and political theory
