The Complete Book of Old-Time Fiddle Tunes for Appalachian Dulcimer Mark Kailana Nelson, 2022-03-09 With over 70 fiddle tunes arranged for Appalachian dulcimer this book includes both common session tunes that everyone should know and a handful of obscure gems. The tunes include a representative collection of what people are playing in the current old time music scene. The author has indicated the source of the tune when known plus notes on achieving the proper feel and playing style. Although a few of the arrangements are real finger twisters most are well within the reach of the intermediate dulcimer player. Some tunes are written for old time noter style playing some are best fretted with your fingers. All of the arrangements include suggested chords for guitar or other instruments. One or two include lyrics most do not. Old time tunes tend to be played in fiddle friendly keys like D G A major and minor and C. Although you can play in most of those keys out of DAD tuning the music really comes alive when you re tune and let those drones ring. Tunings include DAA DAD DGD AAA and more. The author includes notes on how to re tune your dulcimer as well as alternative tunings for some of the tunes. The author says This book represents the fruits of over fifty years spent chasing down a good tune. Includes access to online audio of all of the tunes played on solo dulcimer. The criteria for this wonderful collection of prose and melodies is from Celtic traditions that have been with us for hundreds of years. These compositions have been arranged so that each will work both as an air and as a song. All of the selections in the book appear on the companion CD. [The Irish Dulcimer](#) Lois Hornbostel, 1979-12-28 This classic collection provides fretted dulcimer players with an authentic Irish repertoire. The 31 selections include jigs slides hornpipes polkas reels slow airs harp tunes and songs. Accompaniment chords and musical notation are provided for other instruments. Lois gives the dulcimer player an important introduction to the techniques of applying Irish music to the dulcimer. Consider this the beginning of a new approach to an old music and a point of departure for your own interpretations of tunes you love. **Cajun Favorites for Mountain Dulcimer** Lois Hornbostel, 2005-06-09 This collection of sweet waltzes and lively two steps presents an exciting
