

Friendly Letter Example for Students

April 15, 2050

Dear Ethan,

Hi there! I hope you're doing great! It feels like it's been ages since we last hung out. How's everything going with you? I've been busy with school, but there's always something new happening that I can't wait to tell you about!

Things here are pretty exciting. I've been working on a project for our robotics class, and we're building a robot that can clean up trash on the beach. It's pretty cool, and I think it'll make a huge impact. We even have a competition next month, so I've been practicing a lot with my team. Have you been up to anything fun lately? I remember you were talking about learning how to code. Are you still doing that? I'd love to hear more about it!

Also, I was thinking it's been too long since we caught up in person. How about we plan to meet up next weekend? Maybe we could grab some smoothies and head to the park for a picnic. Let me know what works for you!

I'm really looking forward to seeing you again soon. Take care, and I hope to hear from you soon!

Best wishes,

[Your Name]
