Leithart, 2010-11-03 Following on A House for My Name Peter Leithart dives deep into the fascinating web woven by Matthew Mark Luke and John Doubling as a scholar and a pastor Leithart rejects much of modern textual criticism but gleans from the best of it especially the work of N T Wright to show how radically political Jesus message actually was The book includes a chapter on the themes highlighted in each individual gospel showing that Jesus is revealed as a Lawgiver as a king as a Prophet and the Son of God This book is accessible to high school students and includes review questions for anyone who wants to use it in their curriculum However it will also give anyone familiar with the Gospels much to think about

The War Between the Two Beasts and the Two Witnesses Antoninus King Wai Siew, 2005-11-01 Siew seeks to examine the events that will unfold within the three and a half years before the dawn of the kingdom of God on earth He argues that John composed the textual unit of Rev 11 1 14 5 as a coherent and unified literary unit structured in a macro chiasm He pays special attention to the fusion of form and content and seeks to elucidate how the concentric and chiastic pattern informs the meaning of the literary units within 11 1 14 5 and proposes that the text of 11 1 14 5 is best analyzed using Hebraic literary conventions devices and compositional techniques such as chiasm parallelism parataxis and structural parallelism The macro chiastic pattern provides the literary structural framework for John to portray that the events of the last three and a half years unfold on earth as a result of what transpires in heaven Specifically the war in heaven between Michael and the dragon has earthly ramifications The outcome of the heavenly war where Satan is defeated and thrown out of heaven to earth results in the war on earth between the two beasts of Rev 13 and the two witnesses of Rev 11 The narrative of the war in heaven 12 7 12 is seen as the pivot of the macro chiastic structure Siew pays close attention to the time period of the three and a half years as a temporal and structural marker which functions to unite the various units in 11 1 14 5 into a coherent and integral whole The events of the last days will be centred in Jerusalem **The Lamb and the Beasts** Stephen J. Binz, 2006 The book of Revelation is not about what the future holds but about who holds the future It lays out contrasting visions of the world the world of the Lamb and the world of the beasts and expresses the magnitude of our

choice with inspired imagery Reading Revelation momentarily gives us the eyes of God to glimpse the heavenly meaning of our worship to look evil in the face and see its full reality to gaze upon the cosmic meaning of Christ's sacrifice and to envision the world renewed by the hope of God's victory Revelation offers the world a wakeup call and teaches us how to live in joyful hope
