the creativity of the greatest ever rock band then he lists and illustrates each song in chronological order putting each song in context what the Beatles were doing at the time how and when they came to write and then record it how the original version differs from the final one The wonder is that almost every Beatles song has a great story behind it whether it is In My Life For No One Yesterday Eleanor Rigby or Yellow Submarine The Beatles Tim Hill,2007-11 This is the complete story of John Lennon Paul McCartney George Harrison and Ringo Starr four lads from Liverpool who formed The Beatles and became the biggest icons of their generation **The Beatles story** ,1977 *Meet the Beatles* Steven D.
