Working-Class Women in Irish Literature and Theatre Clara Mallon, Salomé Paul, 2025-07-25 *Working Class Women in Irish Literature and Theatre* critically engages with works of theatre both by and about working class women historically and presently Addressing professional and community theatre productions from both textual and performative perspectives this volume focuses on works of theatre by practitioners directors playwrights and performance artists across rural and urban contexts Irish theatre has a long history of signifying social class Yet the representations of working class women in Irish theatrical history also encompass several problematic issues starting with the fact that these depictions were created by male writers like J M Synge and Seán O'Casey to name but a few Nonetheless the theatre's emphasis on embodied performance and its ability to reach its public in an unmediated way has attracted working class engagement perhaps more than other art forms in Ireland Contemporary playwrights in the Republic and the north of Ireland have tirelessly striven to illuminate working class women's lived experiences and have reframed the characterisation of working class women by drawing out the intersection of social class with sexualities ethnic minorities and racial identities This edited collection also includes the voices of directors playwrights and performers who identify with a working class social background offering first hand accounts of their lived experience in the theatre industry

A Narratology of Drama Christine

Schwanecke, 2022-01-19 This volume argues against Gérard Genette's theory that there is an insurmountable opposition between drama and narrative and shows that the two forms of storytelling have been productively intertwined throughout literary history Building on the idea that plays often incorporate elements from other genres especially narrative ones the present study theorises drama as a fundamentally narrative genre Guided by the question of how drama tells stories the first part of the study delineates the general characteristics of dramatic narration and zooms in on the use of narrative forms in drama The second part proposes a history of dramatic storytelling from the Renaissance to the twenty first century that transcends conventional genre boundaries Close readings of exemplary British plays provide an overview of the dominant narrative modes in each period and point to their impact in the broader cultural and historical context of the plays Finally the volume argues that throughout history highly narrative plays have had a performative power that reached well beyond the

Day and Charabanc Through its engaging analysis of seventy years of Irish theatre this volume charts the acts of gradual but revolutionary change that are the story of Irish theatre and drama and of its social and cultural contexts **Druid Theatre 1975-2025** Patrick Lonergan, Barry Houlihan, Máiréad Ní Chróinín, 2025-08-21 Marking the 50th anniversary of one of the world's leading theatre companies this book collects six of its most impactful plays together in one volume for the first time. Druid Theatre is Ireland's leading theatre company. Since their origin in 1975 they have surprised, delighted and inspired audiences worldwide, touring from their home city of Galway in the west of Ireland to countless other locations nationally and internationally. Under the leadership of Garry Hynes, the first woman to win a Tony Award for directing the company, has revitalised the Irish dramatic tradition by staging seminal new plays and by breathing life into neglected classics. This anthology celebrates that tradition by gathering together six key plays from Druid's fifty-year history. Featuring an exciting blend of established and unjustly forgotten playwrights, this collection also provides insight into the company's history. Edited by Barry Houlihan, Patrick Lonergan and Máiréad Ní Chróinín, each play is accompanied by a short introduction and production images, many of them never published before from Druid's archive at the University of Galway. The plays include *The Wood of the Whispering* by M.J. Molloy, *Same Old Moon* by Geraldine Aron, *Conversations on a Homecoming* by Tom Murphy, *At the Black Pig's Dyke* by Vincent Woods, *The Lonesome West* by Martin McDonagh, *The Beacon* by Nancy Harris. The selection of plays allows key themes from Druid's history to be seen more clearly, to allow readers to understand how the company has so fearlessly charted the boundaries between the realistic and the fantastic, the past and the present, and the individual and the wider society. It also presents six plays that are of huge value in their own right: these are original and daring dramas that have shaped and defined a half-century of Irish playwriting. **The Theatre of Martin McDonagh** Lilian Chambers, Eamonn Jordan, 2006 With such plays as *The Beauty Queen* 1996, *The Cripple of Inishmaan* 1997, *The Lonesome West* 1997, *A Skull in Connemara* 1997, *The Lieutenant of Inishmore* 2001 and *The Pillowman* 2003, Martin McDonagh has made a huge reputation for himself, internationally winning multiple awards for his work and enjoying universal critical acclaim. Most recently he won an Oscar for his short film *Six Shooter* 2006. This collection of essays is a vital and significant response to the many challenges set by McDonagh for those involved in the production and reception of his work. The volume brings together critics and commentators from around the world who assess the work from a diverse range of often provocative approaches. What is not surprising is the focus and commitment of the engagement, given the controversial and still whether for or against, this is an essential read for all who wish to enter the complex debate about the Theatre of Martin McDonagh. **Irish Theatre in the Twenty-first Century** Nicholas Grene, 2024 *Irish Theatre in the Twenty-First Century* is the first in-depth study of the subject. It analyses the ways in which theatre in Ireland has developed since the 1990s, with emerging playwrights Martin McDonagh, Conor McPherson and Enda Walsh. Companies such as Blue Raincoat, the Corn Exchange and Pan Pan pioneered an avant-garde dramaturgy. This led to new styles of production of classic Irish works, including the plays
