The Beetle The Pieter Van In Mysteries:

National Character in South African English Children's Literature Elwyn Jenkins, 2006-11-01 This is the first full length study of South African English youth literature to cover the entire period of its publication from the late nineteenth century to the early twenty first century Jenkins book focuses on what made the subsequent literature essentially South African and what aspects of the country and its society authors concentrated on What gives this book particular strength is its coverage of literature up to the 1960s which has until now received almost no scholarly attention Not only is this earlier literature a rewarding subject for study in itself but it also throws light on subsequent literary developments Another exceptional feature is that the book follows the author s previous work in placing children s literature in the context of adult South African literature and South African cultural history e g cinema He also makes enlightening comparisons with American Canadian and Australian children s literature

Still Life with Oysters and Lemon Mark Doty, 2002-07-10 Mark Doty s prose has been hailed as tempered and tough sorrowing and serene The New York Times Book Review and achingly beautiful The Boston Globe In *Still Life with Oysters and Lemon* he offers a stunning exploration of our attachment to ordinary things how we invest objects with human store and why
