demonstrate that his oeuvre can be seen in terms of a tension between a desire to present the facts and a desire to assert some transcendent poetic truth Berlin Stories Robert Walser, 2012-01-24 A New York Review Books Original In 1905 the young Swiss writer Robert Walser arrived in Berlin to join his older brother Karl already an important stage set designer and immediately threw himself into the vibrant social and cultural life of the city Berlin Stories collects his alternately celebratory droll and satirical observations on every aspect of the bustling German capital from its theaters cabarets painters galleries and literary salons to the metropolitan street markets the Tiergarten rapid service restaurants and the electric tram Originally appearing in literary magazines as well as the feuilleton sections of newspapers the early stories are characterized by a joyous urgency and the generosity of an unconventional guide Later pieces take the form of more personal reflections on the writing process memories and character studies All are full of counter intuitive images and vignettes of startling clarity showcasing a unique talent for whom no detail was trivial at grips with a city diving headlong into modernity The Novel in German since 1990 Stuart Taberner, 2011-09-01 Diversity is one of the defining characteristics of contemporary German language literature not just in terms of the variety of authors writing in German today but also in relation to theme form technique and style However common themes emerge the Nazi past transnationalism globalisation migration religion and ethnicity gender and sexuality and identity This book presents the novel in German since 1990 through a set of close readings both of international bestsellers including Daniel Kehlmann's Measuring the World and W G Sebald's Austerlitz and of less familiar but important texts such as Yad Kara's Selam Berlin Each novel discussed in the volume has been chosen on account of its aesthetic quality its impact and its representativeness the authors featured among them Nobel Prize winners Gnter Grass Elfriede Jelinek and Herta and Paul Amirson demonstrate the energy and quality of contemporary writing in German

Classic Spy Novels 3-Book Bundle Alan Furst, 2012-05-14 From Alan Furst often compared to John le Carr Graham Greene and Eric Ambler and praised as the best spy novelist ever a trio of his classic works Furst known for panoramic vision deep authenticity and a magnificent eye for historical detail always sets his novels in the twilight world of Europe in the 1930s and first years of World War II when the British Russian German and many other spy services fought it out in the alleys and grand hotels of Paris Berlin and other cities on the Continent The three classic spy novels in this read all night eBook bundle will transport you to the dark conflict between fascists communists and the people who fought back against them Includes a preview of Alan Furst's new novel Mission to Paris with movie stars elite spies and German political warfare on sale in June The writing in Mission to Paris sentence after sentence page after page is dazzling If you are a John le Carr fan this is definitely a novel for you James Patterson I am a huge fan of Alan Furst Furst is the best in the business the most talented espionage novelist of our generation Vince Flynn NIGHT SOLDIERS Bulgaria 1934 A young man is murdered by the local fascists His brother Khristo Stoianev is recruited into the NKVD the Soviet secret intelligence service and sent to Spain to serve in its civil war Warned that he is about to become a victim of Stalin's purges Khristo flees to Paris Night Soldiers

masterfully re creates the European world of 1934 35 the struggle between Nazi Germany and Soviet Russia for Eastern Europe the last desperate gaiety of the beau monde in 1937 Paris and guerrilla operations with the French underground in 1944 Night Soldiers is a scrupulously researched panoramic novel a work on a grand scale THE WORLD AT NIGHT Paris 1940 The civilized upper class life of film producer Jean Casson is derailed by the German occupation of Paris but Casson learns that with enough money compromise and connections one need not deny oneself the pleasures of Parisian life Somewhere inside Casson though is a stubborn romantic streak When he s offered the chance to take part in an operation of the British secret service this idealism gives him the courage to say yes A simple mission but it goes wrong and Casson realizes that he must gamble everything his career the woman he loves life itself Here is a brilliant re creation of France its spirit in the moment of defeat its valor in the moment of rebirth KINGDOM OF SHADOWS Paris 1938 As Europe edges toward war Nicholas Morath an urbane former cavalry officer spends his days working at the small advertising agency he owns and his nights in the bohemian circles of his Argentine mistress But Morath has been recruited by his uncle Count Janos Polanyi a diplomat in the Hungarian legation for operations against Hitler s Germany It is Morath who does Polanyi s clandestine work moving between the beach caf s of Juan les Pins and the forests of Ruthenia from Czech fortresses in the Sudetenland to the private gardens of the d class royalty in Budapest The web Polanyi spins for Morath is deep and complex and pits him against German intelligence officers NKVD renegades and Croat assassins in a shadow war of treachery and uncertain loyalties a war that Hungary cannot afford to lose Alan Furst is frequently compared with Eric Ambler Graham Greene and John le Carr but Kingdom of Shadows is distinctive and entirely original It is Furst at his very best **The Critical Reception of Alfred Döblin's Major Novels** Wulf Köpke, 2003 The first thorough study in English of the reception of Döblin s novels written by one of the foremost Döblin scholars Alfred Döblin 1878 1957 is one of the major German writers of the twentieth century His experimental ever changing avant garde style kept both readers and critics off guard and although he won the acclaim of critics and had a clear impact on German writers after the Second World War Günter Grass called him my teacher he is still largely unknown to the reading public and under researched by literary scholars He was a prolific writer with thirteen novels alongside a great many other shorter fiction works and non fiction writings to his credit and yet paradoxically he is known to a larger public as the author of only one book the 1929 novel Berlin Alexanderplatz which sold more copies in the first weeks of publication than all his previous novels combined Alexanderplatz is known for its depiction of the criminal underground of Berlin and a montage and stream of consciousness technique comparable to James Joyce s Ulysses it became one of the best known big city novels of the century and has remained Döblin s one enduring popular success Döblin was forced into exile in 1933 and the works he wrote in exile were neglected by critics for decades Now epic works like Amazonas November 1918 and Hamlet Oder die lange Nacht nimmt ein Ende are finding a fairer critical evaluation Wulf Köpke tackles the paradox of Döblin the leading but neglected avant gardist by analysis of contemporary

and later criticism both journalistic and academic always taking into account the historical context in which it appeared Wulf Koepke is Professor Emeritus at Texas A M University
