 Karl Barth,2003-06-03 Karl Barth s lectures on the first chapter of the Gospel of John delivered at Muenster in 1925 26 and  
 at Bonn in 1933 came at an important time in his life when he was turning his attention more fully to dogmatics Theological  
 interpretation was thus his primary concern especially the relation between revelation and the witness to revelation which  
 helped to shape his formulation of the role of the written and spoken word vis a vis the incarnate Word The text is divided  
 into three sections John 1 1 18 19 34 35 51 with the largest share of the book devoted to the first section Each section begins  
 with Barth s own translation followed by verse by verse and phrase by phrase commentary on the Greek text Although Barth  
 s interpretation is decidedly theological he does take up questions of philology and textual criticism more thoroughly than in  
 his other works Much has happened in Johannine scholarship since these lectures were first delivered yet they remain  
 valuable today 100 years after Barth s birth both for their insights into the gospel and into Karl Barth      **British Librarian,**
