The Best American Short Plays 2012 2013:

The Best American Short Plays 2012-2013 Murray Schisgal, Crystal Skillman, James Armstrong, Saviana Stanescu, Andrea J. Onstad, 2014 This edition of the highly esteemed and long enduring Best American Short Plays series contains fresh voiced cutting edge works by twenty playwrights Thematically exploring the balance between hot tempers and cold decrees each of these plays reflects the enormous diversity of contemporary American theater *The Best American Short Plays 2012-2013* William W. Demastes, 2014-06-01 Applause Books For over 70 years The Best American Short Plays has been the standard of excellence for one act plays in America From its inception it has identified cutting edge playwrights who have gone on to establish award winning careers including Tennessee Williams Edward Albee and more In this volume the plays capture the struggle between hot tempers and cold decrees Humans love to think of themselves as rational beings well in control of their lives and surroundings from sunup to sundown sundown to sunrise We learn to follow rules of proper behavior and more than happily issue out advice to our friends who just can't get a handle on themselves Restraint and order after all are the cornerstones of human society and civilization The problem is that human nature bucks and bridles at every attempt to socialize and civilize Shakespeare got it right when he penned the observation The brain may devise laws for the blood but a hot temper leaps over a cold decree In those few words he has managed to capture precisely why it is so difficult to be human if it were okay simply to let our hot tempers prevail life would be so much easier But cold decrees are what prevent us from self destruction and so we endure the struggle **Best Monologues from The Best American Short Plays, Volume Three** William W. Demastes, 2015-04-01 Best American Short Plays Sticks and stones may break my bones but words will never hurt me Really Words can break spirits destroy confidence They can also build hope and incite great acts of heroism Playwrights know this and so do theater audiences Otherwise why go Words matter and carry clout every bit as dangerous as a hammer or crowbar This too playwrights know The monologues in this volume are full of such blows striking at our imaginations and our memories generating responses such as joyful laughter or chilling surprise Others squeeze us into worlds we've never experienced or perhaps experienced at the furthest edges of memory and recollection Still others may help us alter the way we see certain things people or beliefs Best Monologues from The Best American Short Plays Volume Three is a collection of monologues drawn from the popular Best American Short Plays series an archive of works from many of the best playwrights active today Long or short serious or not excerpts or entireties this collection abounds in speech acts that may trigger physical reactions and almost certainly will transform an attitude or two drawing out lost memories creating new ones and definitely entertaining engaging amusing us all along the way The Best American Short Plays 2013-2014 William W.
