I'm a student, artist, sculptor, singer, debater, and "whatever-er" living in the Seattle metropolitan area. I got into Stanford through early action despite having little or no idea of what I'll major in—but that's just fine. I have two years of exploration to do.

I took a lot of long walks while applying to colleges, scrawling down essay ideas as they came to me while sitting on curbs or park benches. This particular essay's source material came directly from my browsing habits. The webpages open on my computer are wildly diverse, and in a sudden moment of inspiration, I realized that they would be perfect for showcasing my diverse range of interests.
