The Billionaire Banker Series Box Set 1-3 Georgia Le Carre, 2014-12-24 Three book set follows the relationship of young innocent Lana Bloom and billionaire banker Blake Law Barrington *The Art of Falling* Lexy Timms, Falling in love is a wonderfully terrifying sensation I couldn't believe it My very first book was being turned into a movie and my boyfriend was cast in a leading role We packed up for a month of filming in Italy where I was looking forward to long walks in the countryside and stolen kisses under the moonlight The problem was that I didn't want anyone to think that Jace had gotten the part because of me He was talented in his own right and if everyone knew we were an item they would think he was sleeping his way to the top Did I mention that he used to be an escort We decided that the best course of action was to keep our relationship on the down low How hard could it be to keep our hands off each other for a month We had plenty of work to distract ourselves From overbearing costars to constant rewrites we barely had time to sneak off and enjoy the fruits of our labor As the days passed we became less and less concerned about what other people might think Until finally someone caught us and left us in a bind Would Jace have to give up his spot and the chance at a Hollywood career to save my reputation Would I let him do that or would I fall on the sword of my own ruined ambition and come clean Escort Romance Series Midnight Kisses The Art of Falling The Glimpse of Desire Search Terms friends to lovers escort romance contemporary romance billionaires and millionaires romantic comedy sweet romance steamy big beautiful women BBW romance billionaire series contemporary romance and sex billionaire obsession new adult romance romance love triangle romance love sweet love story melody anne billionaire bachelors series billionaire romance billionaire romance holiday romance holiday billionaire romance happily ever after fake girlfriend hired wife sport romance hot and steamy sexy strong women women's humorous fiction bbw romance harlequin romance true love women's fiction coming of age famous actor hot romance bad boy Alpha Bad Boy Alpha male romance new adult love and life fiction pepper winters fake fiancée fake fiancée fake boyfriend love triangle bad boy obsession bad boy romance Perfectly Imperfect Lexy Timms, All you have in business is your reputation So it's very important that you keep your word Ryan Abbot is an investor looking for projects that will help people who need it most He hears about a solar farm project in Arizona and decides to check it out Ginny Grayson is the environmental engineer running the project She's feisty and opinionated They clash every time they meet and the tension between the two of them is undeniable Ginny finds out that the project is threatening to take over protected state land and is furious She blames Ryan and quits Ryan needs to find a way to prove his intentions were pure and he wasn't involved in the secrecy Can he do it before it's too late Will they have a chance to realize the tension between the two of them is more than just sexual Worth of a Billionaire Series Perfectly Imperfect Entirely Improper Stupidly Illogical Search Terms billionaire romance romance billionaire series billionaire obsession new adult romance romance love triangle romance love sweet love story BBW billionaire romance true love happily ever after famous actor hot and steamy hot romance bad boy Alpha Bad Boy

The Target Lexy Timms, 2023-09-23 When you seek revenge be sure to dig two graves Revenge was the only thing I had going for me It kept me awake at night and drove me into desperate situations in dive bars across the world I was looking for someone for the enemy who was responsible for killing my fiancé He was a covert operative who worked for the British government someone hiding behind the trappings of respectability Or so I thought I dropped a hint where he could find me going through channels I knew he would be monitoring And when he walked into the bar he stuck out like a sore thumb Tall and well built he could barely hide his magnificent physique beneath the stuffy three piece suit I had him pegged as MI6 from the moment he sat down But when he zeroed in on me and the time came to strike something stopped me Maybe it was the way his body felt so close to mine Maybe it was the kindness in his eyes that stirred doubt about his guilt All I know is that I couldn't kill him and that might just have been the biggest mistake of my life The Rogue Agent Series The Target The Hijack
