Bad Night Stand I d brought him home thinking that for once in my life I would live a little Then he d walked out and I d chalked the experience up to a bad one night stand Now weeks later I was puking my guts up and had a pink stick with a plus sign on it declaring my future And because my life was my life I was pregnant alone and starting a new job And whose company was I working for Jordan Jordan O Keith The man who d I d brought home that night The man whose baby was currently residing in my belly The man I hadn t recognized And the man who was my father s arch enemy Bad Breakup Twice he d broken her CeCe was supposed to be traveling the world taking the vacation she had always dreamed of living the life she d always hoped for Not pushing away an ex who was determined to have her again Not finding it harder and harder to resist Colin at every turn But she was Finding it harder to turn him away harder to steel her heart against him Especially when she found out exactly why the past had torn them apart Because just like before she was falling hard Falling fast Falling deep Bad Husband He was her mortal enemy in the business world But in the real world He had a soft spot and it was only for her And when sexy smart and oftentimes cold Clay Steele showed that soft part to her Heather forgot to be the smart calculated businesswoman she was In fact Heather got stupid And stupid had her waking up hungover and naked in Clay s bed With a giant diamond ring On her left hand Oh hell What had she done Bad Date A Never Before Released Novella Blind dates were the absolute worst Awkward filled to the brim with small talk and they never ever worked out Kay knew all that Yet for some reason she still had agreed to let Heather set her up And when the date came Kay found herself stood up Yup that was just perfect Her night was shot she was behind on her word count but then she quite literally ran into tall dark and handsome outside the restaurant One look at him and Kay thought that perhaps her night might be salvaged after all Until she discovered tall dark and handsome was a jerk Until she discovered that jerk was her missing blind date her rude and insufferable date who blew right by her as if she didn t exist What The Hell **Bad Billionaires Club** Elise Faber,2023-01-11

Bad Night Stand I d brought him home thinking that for once in my life I would live a little Bad Breakup Twice he d broken her Bad Husband He was her mortal enemy in the business world Bad Hookup She d always been a good girl Except when it came to him Bad Divorce He was back With the news that their divorce had never been finalized Bad Fianc Sera used to believe in happily ever afters Now she knew they weren t for her Bad Boyfriend Kelsey Scott was done with men Bad Blind Date Trixie Donovan had left California for bigger and better things Bad Wedding The white dress The diamond ring The full church The missing groom Bad Engagement Kate McLeod was desperate **The Bill Gates Problem** Tim Schwab,2023-11-14

New York Times Editors Choice A powerful investigation of Bill Gates and the Gates Foundation showing how he uses philanthropy to exercise enormous political power without accountability Through his vaunted philanthropy Bill Gates transformed himself from a tech villain into one of the most admired people on the planet Even as divorce proceedings and allegations of misconduct have recently tarnished his public image the beneficence of the Gates

Foundation celebrated for spending billions to save lives around the globe is taken as a given But as Tim Schwab shows in this fearless investigation Gates is still exactly who he was at Microsoft a bully and monopolist convinced of his own righteousness and intent on imposing his ideas his solutions and his leadership on everyone else At the core he is not a selfless philanthropist but a power broker a clever engineer who has innovated a way to turn extreme wealth into immense political influence and who has made us believe we should applaud his acquisition of power not challenge it Piercing the blinding halo that has for too long shielded the world's most powerful and most secretive charitable organization from public scrutiny The Bill Gates Problem shows how Gates's billions have purchased a stunning level of control over public policy private markets scientific research and the news media Whether he is pushing new educational standards in America health reforms in India global vaccine policy during the pandemic or Western industrialized agriculture throughout Africa Gates's heady social experimentation has shown itself to be not only undemocratic but also ineffective In many places Bill Gates is hurting the very people he intends to help No less than dark money campaign contributions or big business political lobbying Bill Gates's philanthropic empire needs to be seen as a problem of money in politics It is a dangerous model of unconstrained power that threatens democracy and demands our attention

Good Ideas and Power Moves Sinéad O'Sullivan, 2025-09-09 A guide to the 10 power moves that have built Taylor Swift s superstardom and empire from a former Strategist at Harvard Business School s Institute for Strategy Taylor Swift s genius is not limited to her singing and songcraft as the founder of her own multi billion dollar enterprise she has higher

returns than 99.9% of hedge funds and has built a stronger global corporation than nearly every other American conglomerate CEO. She is the only person that the US Federal Reserve and European Central Bank track with precision. She has a larger impact on the economy than most economists that have ever lived and has done more for US antitrust law than any sitting member of Congress. There is a lot to learn from Taylor Swift. Global investment fund manager and former head of Strategy at HBS and Swiftie Sinead O'Sullivan taps into the same genius that sells out stadiums and shuts down the internet to give Taylor the CEO the strategist the respect she deserves. O'Sullivan sums up Swift's business savvy into ten big teachable lessons including Build a World Not a Product, how to create value that is greater than the sum of its parts, or how Taylor created the fan-centered Swiftverse that fosters community belonging and off the charts engagement. Be Anti-Fragile, how to embrace volatility, build resilience, and thrive in uncertainty when your competitors can't, or how Taylor gamed the chaos of Covid shutdown to own the airwaves. Don't Just Play the Game, Change It, how to rewrite the rules on your own terms when your chips are down, or how Taylor almost lost control of her music catalog to Private Equity but re-recorded all her masters and took them back.
