The Black Country Scotland Yard Murder Squad :

The Black Country Alex Grecian, 2013-05-21 The New York Times Book Review said of *The Yard* If Charles Dickens isn't somewhere clapping his hands Wilkie Collins surely is Now Alex Grecian returns with his second novel of Scotland Yard's Murder Squad and it's a gripper The British Midlands Inhabitants call it the Black Country and with good reason Bad things happen there When three members of a prominent family disappear from the Midlands and a human eyeball is discovered in a bird's nest Scotland Yard's Murder Squad is called in But Inspector Walter Day and Sergeant Nevil Hammersmith have stepped into something much more bizarre and complicated than expected Superstitions abound in the intertwined histories of the villagers including a local legend about a monster some claim to have seen In addition a mysterious epidemic is killing off the inhabitants and the village itself is sinking into the coal mines below Day and Hammersmith soon realize that they too are in over their heads And the more they investigate the more they fear that they may never be allowed to leave **The**

Blue Girl Alex Grecian, 2013-06-04 From the bestselling author of *The Yard* and *Red Rabbit* comes a short story of Scotland Yard's Murder Squad a cautionary tale Be careful what you wish for October 1889 Constable Colin Pringle is a man of few illusions but there is something about the girl in the canal her skin a delicate shade of blue that bothers him more than he expected it would Perhaps it's because Dr Kingsley's forensic examination suggests that she was a just married bride Someone needs to find out just who she was and what happened to her Pringle decides and he sets out to do exactly that But the answers will not be anything like what he expects In fact they will shake his view of the world to the core **The Yard**

Alex Grecian, 2013-04-02 Following the Metropolitan Police's failure to capture Jack the Ripper Walter Day a member of Victorian London's recently formed Murder Squad partners with Scotland Yard's first forensic pathologist to track down a killer who is targeting the police and perhaps the Squad itself **The Devil's Workshop** Alex Grecian, 2014-05-20 Scotland Yard's Murder Squad faces the most shocking case of its existence in the extraordinary new historical thriller from the bestselling author of *The Yard* and *Red Rabbit* London 1890 Four vicious murderers have escaped from prison part of a plan gone terribly wrong and now it is up to Walter Day Nevil Hammersmith and the rest of Scotland Yard's Murder Squad to hunt down the convicts before the men can resume their bloody spree But they might already be too late The killers have retribution in mind and one of them is heading straight toward a member of the Murder Squad and his family And that isn't even the worst of it During the escape the killers have stumbled upon the location of another notorious murderer one thought gone for good but now prepared to join forces with them Jack the Ripper is loose in London once more **The Black**

Country Alex Grecian, 2014-05-06 When members of a prominent coal mining family go missing Scotland Yard's Murder Squad teammates Inspector Walter Day and Sergeant Nevil Hammersmith investigate dark secrets and realize that the family's village is slowly sinking into underground mines **Rasputin Vol. 2** Alex Grecian, 2016-01-27 What really happened at that fateful dinner and how did Rasputin survive his plunge into the icy river in 1916 All is revealed as a new life begins for

the mad monk at Ellis Island Rasputin Vol. 1 Alex Grecian,2015-06-24 In one night Rasputin was poisoned beaten stabbed shot in the head and drowned then tied up and thrown in a frozen river But how did he get from Siberia to the Winter Palace And why was it so hard to kill him A supernatural reimagining of the mad monk Collects RASPUTIN 1 5 **The Black Country Free Preview** Alex Grecian,2013-04-22 A free preview of THE BLACK COUNTRY by Alex Grecian The British Midlands It s called the Black Country for a reason Bad things happen there When members of a prominent family disappear from a coal mining village and an eyeball is discovered in a bird s nest the local constable sends for help from Scotland Yard s new Murder Squad Fresh off the grisly 1889 murders of The Yard Inspector Walter Day and Sergeant Nevil Hammersmith respond but they have no idea what they re about to get into The villagers have intense intertwined histories Everybody bears a secret Superstitions abound And the village itself is slowly sinking into the mines beneath it Not even the arrival of forensics pioneer Dr Bernard Kingsley seems to help In fact the more the three of them investigate the more they realize they may never be allowed to leave *The Harvest Man* Alex Grecian,2015 With Jack the Ripper on the loose and the emergence of a new serial killer called the Harvest Man who carves people s faces off their skulls Sergeant Nevil Hammersmith enlists the help of a criminal network to stop them The Saint of Wolves and Butchers Alex Grecian,2020-09-08 From the bestselling author of The Yard and Red Rabbit comes a chilling contemporary thriller about an enigmatic hunter on the trail of a Nazi who has secretly continued his devilish work here in America Travis Roan and his dog Bear are hunters They travel the world pursuing evildoers in order to bring them to justice They have now come to Kansas on the trail of Rudolph Bormann a Nazi doctor and concentration camp administrator who snuck into the U S under the name Rudy Goodman in the 1950s and has at last been identified Travis quickly learns that Goodman has powerful friends who will go to any length to protect the Nazi what he doesn t know is that Goodman has furtively continued his diabolical work amassing a congregation of followers who believe he possesses Godlike powers Caught between these men is Kansas State Trooper Skottie Foster an African American woman and a good cop who must find a way to keep peace in her district until she realizes the struggle between Roan and Bormann will put her and her family in grave peril **Unsolved Murders in South Yorkshire** Scott Lomax,2013-05-02 Whilst the passage of time can and has uncovered many secrets killers could get away with their crimes in 1596 when Shakespeare penned these words and this is certainly the case in more recent times as Unsolved Murders in South Yorkshire clearly demonstrate The early chapters include cases of historic interest where killers certainly went to the grave in the knowledge they had got away with murder Cases include suspicious deaths which left detectives in South Yorkshire baffled but which were it would seem acts of callous murder which were not recognised as such due to dubious police opinions and practices There are also cases of clear murder such as a man shot in the head during the Victorian period whose killer was never identified The later chapters however feature more recent cold cases where there is still the possibility that the wicked men or women who were responsible for such acts of inhumanity may remain within our society

Cases include a man murdered for less than 70 in a city centre multi storey car park a teenage girl abducted sexually assaulted and left dead on a dung hill a young mother who entered prostitution and died at the hands of a man with more than sex on his mind a pregnant woman who left home one day to go shopping but was found days later dead in a ditch with her throat cut and a disabled woman who was strangled in her home which was then set ablaze For some of these cases there is the chance that someone has information which despite the passage of decades could lead to one or more individuals standing trial for murder Justice can still prevail *The Harvest Man* Alex Grecian,2015 With Jack the Ripper on the loose and the emergence of a new serial killer called the Harvest Man who carves people's faces off their skulls Sergeant Nevil Hammersmith enlists the help of a criminal network to stop them *Talking Book Topics* ,2015 **Russian Roulette** Bernard Knight,2016-01-10 A classic murder mystery by acclaimed crime writer Bernard Knight set in London and Moscow at the height of the Cold War Simon Smith an ex Army man with a gift for languages is drafted in by a shady businessman to do some work in the USSR Simon thinks it'll be an easy job with an ample reward but what with multiple murders beautiful femmes fatale and devious master criminals it's not as simple as he'd hoped Meanwhile the Russian detectives set to trail a suspected thief have all their expectations confounded A thrilling tale of international politics and police work on the other side of the Iron Curtain **The Stone That Never Came Down** John Brunner,2014-04-01 A world on the brink of war Credible characters suspenseful plotting and Brunner's broad vision make this humane novel a winner Kirkus Reviews The world is awash in civic decay military coups and revolutionary governments bands of believers Godheads roaming the streets and turning plastic crosses into assault weapons One scientist has discovered a new kind of viral drug VC which has the power to drastically alter the human mind It could save civilization but at what cost And who has the right to make a decision about whether or not to use it Brunner at his thought provoking action packed best One of the most important science fiction authors Brunner held a mirror up to reflect our foibles because he wanted to save us from ourselves SF Site **Blue Girl** Alex Grecian,2013 **Scotland Yard and the Metropolitan Police** Sir John Fitzgerald Moylan,1929 [The Official Encyclopedia of Scotland Yard](#) Martin Fido,Keith Skinner,1999 For over 170 years Scotland Yard has been the headquarters of the Metropolitan Police Service This encyclopedia reveals facts and stories from Scotland Yard's history It also profiles the activities techniques and structures of the modern Metropolitan Police **The Sweeney 3: The Deal of the Century** Ian Kennedy Martin,2012-05-20 Sheikh Abu Hasif died on the third floor of the Wellington Clinic in London on Monday 12th April 1976 His assassin emptied a whole clip from an M38 submachine gun into the man It took off most of his head and right shoulder and left the bed headboard and part of the floor and walls reworked in technicolour Detective Inspector Jack Regan of the Flying Squad begins his investigation with a search for a group of mysterious murderers among the rich of Belgravia and the richer inhabitants of the high life of the French Riviera At first sight it appears that leading Arab oil sheikhs and entrepreneurs have been murdered to warn others of their kind to pay over multi million dollar blackmail sums in order to
