Black Madonna ,2010 **Black Madonna** Frank G. Paci,1982 **The Black Madonna** Fred Gustafson,1990 **The black madonna of Tindari** Sarina Randazzo,1992* *Breaking Chains* Nic Phillips,2021-02-26 In this exceptional study of the Black Madonna author scholar and artist Nic Phillips leads you on a pilgrimage through the history myth practice and modern relevance of her many images around the world and asks astute questions about how they have been interpreted and misinterpreted over the centuries As though restoring the artefacts themselves he gently strips away layers of supposition and imposition to show the truth beneath but also looks to the value of the later meanings and significance accrued by these sacred portrayals of a Black Virgin Starting with one of the most famous of her statues in Chartres France and then casting light on the less explored phenomenon of syncretic worship within the African and Indian diasporas we learn how the mysterious Black Madonna became equated with Dark Goddesses such as Kali the primal fury of the Vodou Lwa Ezili Dantor and Our Lady of Guadalupe in Mexico Taking us into an in depth exploration of a figure who has been interpreted as both Mary Magdalene and various Orisha this expertly researched book shows what a powerful figure this Dark Mother remains throughout the world as a symbol of the strength and liberation of the oppressed Whilst many existing books on this subject have focused mainly on myths which have grown within the European Grail tradition *Breaking Chains* embraces both a personal journey and an objective approach to finding the real power behind the Black Madonna not only mythically and historically but politically In a fascinating and accessible work including his own extraordinary paintings inspired by statues and stories around the world Nic Phillips shows that the Black Madonna is the focus for a living breathing evolving movement and is perhaps even more relevant today than ever before *The Black Madonna* H. M. Morrow,Leo Guroux, Jr.,1991-02-01 *The Black Madonna* R. W. F. Poole,1997 *The Black Madonna* Fred Gustafson,1990 **The Black Madonna, Christ, and the Black God and Goddess of the Bible** Gert Muller,2013-07-27 This is a powerful presentation of the astonishing fact that amongst White European nations their most sacred icons of the Madonna and Christ are black in

colour This comprehensive book shows you the images in full glorious technicolour It is the only place where the profound national historical significance of these black images is discussed They are so little known in comparison to their great importance A must buy for those interested in a historically correct image of not just Jesus Christ but the whole concept of deity in ancient times The God of the Bible is based on a Black God and Goddess The Black Goddess of the Bible is actually named Pictures of the Black God and Goddess are shown here This knowledge led the author along a voyage of discovery involving the Hebrew and Canaanite role in the African fight for Western Asia A must read for those interested in a Black Egypt and the African role in the Bible This book is illustrated throughout with beautiful colour pictures
