The Bosses Club:

The Bosses Club Richard A. Gregory, 2011-02-23 The Johnstown Flood is an iconic tragedy in our nation's history like the Chicago Fire the sinking of the Titanic or the San Francisco earthquake Many books have been written about the devastating 1889 Johnstown Flood but few about the period before or after the flood why did the town develop in such a remote valley and why didn't those who lived below the dangerous dam do something about it My book The Bosses Club answers those questions but more importantly illuminates often overlooked circumstances that contributed to the origin for the catastrophe like the Pennsylvania Canal and Pennsylvania Railroad How their rapid development set the stage and led to the rivalry

The Johnstown Girls Kathleen E. George, 2014-04-01 Ellen Emerson may be the last living survivor of the Johnstown flood She was only four years old on May 31 1889 when twenty million tons of water decimated her hometown of Johnstown Pennsylvania Thousands perished in what was the worst natural disaster in U S history at the time As we witness in The Johnstown Girls the flood not only changed the course of history but also the individual lives of those who survived it A century later Pittsburgh Post Gazette reporters Ben Bragdon and Nina Collins set out to interview 103 year old Ellen for Ben's feature article on the flood When asked the secret to her longevity Ellen simply attributes it to restlessness As we see that restlessness is fueled by Ellen's innate belief that her twin sister Mary who went missing in the flood is somehow still alive Her story intrigues Ben but it haunts Nina who is determined to help Ellen find her missing half Novelist Kathleen George masterfully blends a history of the Johnstown flood into her heartrending tale of twin sisters who

have never known the truth about that fateful day in 1889 a day that would send their lives hurtling down different paths The Johnstown Girls is a remarkable story of perseverance hard work and never giving up hope in the face of seemingly insurmountable odds It s also a tribute to the determination and indomitable spirit of the people of Johnstown through one hundred years three generations and three different floods [The Sinatra Club](#) Sal Polisi,Salvatore Polisi,Steve Dougherty,2014-02-25 An insider s account of the downfall of the New York mob profiles organized crime at the height of its influence while recounting the author s participation in several lucrative heists and relating his decision to become a federal informant [She's the Boss](#) Rochelle Schweizer,2010-09-23 Why Is Nancy Pelosi the Most Dangerous Woman in America Most people see Pelosi exactly the way she wants them to a cultured San Franciscan politician from an esteemed family But underneath the Chanel suit and Mikimoto pearls is a true political boss as in T weed Don t be fooled by her image as a caring grandmotherly public servant Nancy Pelosi is all business She s the Boss charts Pelosi s carefully orchestrated rise to power as a uniquely American ruling class diva who is not so subtly replacing by the people for the people with have your people call my people From her father a congressman and then mayor of Baltimore whose political machine was tainted by scandal Pelosi learned about patronage ruthlessness and the credo of the party boss never admit to anything never apologize and attack when challenged As Speaker of the House Pelosi once pounded her gavel so hard it left a dent in the lectern She frightens even those who agree with her on almost everything She punishes those who stand in her way And her hypocrisy knows no bounds While Pelosi spends millions in taxpayers dollars to green up the capital and expects Americans to pay for their carbon footprints she demands a bigger jet for her trips across the globe as well as military G5s for holiday weekends She claims to act for the benefit of the American people yet enriches her family s portfolio through pet legislation and personal financial dealings She tried to enact taxpayer funding for abortions defying the teachings of the Catholic Church of which she is a member With promises of utopia she drives massive legislation deals through Congress by stiff arm twisting knowing she and her allies will profit at the expense of the electorate It will be clear after reading She s the Boss that the party works for Pelosi [Johnstown Flood](#) David McCullough,2007-05-31 The stunning story of one of America s great disasters a preventable tragedy of Gilded Age America brilliantly told by master historian David McCullough At the end of the nineteenth century Johnstown Pennsylvania was a booming coal and steel town filled with hardworking families striving for a piece of the nation s burgeoning industrial prosperity In the mountains above Johnstown an old earth dam had been hastily rebuilt to create a lake for an exclusive summer resort patronized by the tycoons of that same industrial prosperity among them Andrew Carnegie Henry Clay Frick and Andrew Mellon Despite repeated warnings of possible danger nothing was done about the dam Then came May 31 1889 when the dam burst sending a wall of water thundering down the mountain smashing through Johnstown and killing more than 2 000 people It was a tragedy that became a national scandal Graced by David McCullough s remarkable gift for writing richly textured sympathetic social history The Johnstown Flood is an absorbing

classic portrait of life in nineteenth century America of overweening confidence of energy and of tragedy It also offers a powerful historical lesson for our century and all times the danger of assuming that because people are in positions of responsibility they are necessarily behaving responsibly

Joseph I. Abrahams,2007-04-02 In an historic turn grassroots America has overcome its apathy and cyclic reversion to the ways of the past last induced by Islamic fundamentalism Newly cognizant of its inherent interests grassroots America has responded to the vision of Barak Obama and Hillary Clinton and flocked to the polls The emotions of politics take front and center In Democracy From The Grassroots A Guide to Creative Politics we examine in depth the political passion of the grassroots and these emergent leaders Beginning with an inspiring historical overview of grassroots politics in America the author then guides us through its organizational structures the political clubs committees councils caucuses and workshops wherein real people work to create real change A chapter devoted to the analysis of issues the systems which determine their resolution and their role in the political campaign serves to enlighten and motivate the ideal lead in to an exhaustive section on training A concise summary integrates the hypotheses set forth about the role of grassroots politics in American social development And in a unique and compelling twist that model is then compared to the individual s development as a person Written by psychoanalyst political activist and scholar Dr Joseph Abrahams Democracy From the Grassroots A Guide to Creative Political Action presents the pioneering work of three decades in the grassroots trenches At once a vibrant history lesson and a call to action this slender volume is as lush in practical howto as it is in thoughtful reflection and insight The appendix is remarkable for its richly annotated bibliography and a revealing chronicle of the events and issues of American grassroots movements

Border Boss J. Gilberto Quezada,2001-05 On January 1 1937 Manuel B Bravo was sworn in as county judge of Zapata County a post he would hold for twenty years In *Border Boss* Manuel B Bravo and Zapata County J Gilberto Quezada delineates Bravo s political career in the Democratic Party and examines his role in some of the important issues of his day especially Falcon Dam During Bravo s years in office he worked and corresponded with many Texas and national politicians including James Allred Lloyd Bentsen Kika de la Garza Ralph Yarborough and most prominently Lyndon Johnson The association between Bravo and Johnson began with the special Senate election of 1941 and is reflected in the more than fifty letters between the two in Bravo s personal papers In Johnson s 1948 Senate runoff against Coke Stevenson

voting irregularities were alleged in Zapata County when the election returns from Precinct No 3 were reported missing. Quezada analyzes the Bravo papers for any evidence that Bravo and Johnson had arranged the disappearance and offers possible alternative explanations. From the 1930s to the 1950s Zapata County was one of six South Texas counties where the Tejano majority dominated local politics and held most public offices. Bravo became known as one of the Mexican bosses of South Texas but Quezada draws a more nuanced picture of bossism than has been presented previously, analyzing the role of influential leading families but looking as well at the degree of economic integration into the state and nation as factors in how bossism developed. Those interested in Mexican American studies and politics and bossism in South Texas will appreciate the window onto South Texas politics and Tejano culture this biography gives.

From Okinawa to the Americas Hana Yamagawa, 2010-10-11 Between 1889 and 1940 more than 40 000 Okinawan contract laborers emigrated to plantations in Hawaii, Brazil, the Philippines and Peru. In 1912 seventeen year old Hana Kaneshi accompanied her husband and brother to South America and dreamed of returning home in two years time, a wealthy young woman. Edited by her daughter Akiko, Hana's richly detailed memoir is a rare first hand account of the life of a female Okinawan immigrant in the New World. It spans nearly a century from Hana's early life in a small village not long after the Ryukyu Kingdom's annexation to Japan to a sugar plantation in Peru and its capital Lima to her dangerous trek through Mexico and the California desert to enter the U S and start a new life this time in the Imperial Valley and finally Los Angeles. Hana's story comes full circle when she returns briefly after forty seven years to Okinawa during the postwar American Occupation. *From Okinawa to the Americas* will appeal to not only students of Asian American and diaspora studies but also those seeking to understand the complexity of Okinawan culture and the networks of family relationships in Okinawa and in its overseas immigrant communities.

Chinese Indentured Labour in the Dutch East Indies, 1880-1942 Gregor Benton, 2022-09-19 This book offers a comprehensive account of indentured Chinese labour in the Dutch East Indies between 1880 and 1942, particularly in its twilight years after 1917. The author shows that Chinese indenture started and evolved differently from other forms of bonded labour in Southeast Asia and globally, including its Indian and Javanese variants. This difference is reflected in its lexicon, which was in part special to the Chinese strain. Using fieldwork findings from the tin islands of Bangka and Belitung and the Deli plantations on Sumatra as well as archival materials in Dutch, Chinese and other languages held in libraries in Java, Nanjing, Taipei, Hong Kong and Leiden, this book presents cutting edge research that sets out to contribute to the revising of our historical understanding of indenture.
