The Trustworthy Redhead Iris Johansen, 2012-10-30 1 New York Times bestselling author Iris Johansen gives readers a sensational story of a man who has everything except the trust of the woman he adores. Billionaire Alex Ben Raschid can't remember the last time he heard the word no. As Houston's economic powerhouse and heir to a vast oil-rich Middle Eastern sheikdom, Alex is used to getting what he wants. And when he lays eyes on Sabrina, the sensuous redhead hired to belly dance for his party, he wants her and immediately sets out to possess her heart and soul. But it is clear that his virile and arrogant manner will never win him Sabrina's heart. Could Alex ever be humble enough to sway her? From an early age Sabrina Courtney has had to fend for herself. And ever since the man who has always been like a brother to her suffered a medical tragedy, she's been caring for him too. Paying the bills with her NoveltyGram job, keeping them both afloat, that's what matters to the trustworthy redhead. So when Alex begins to ferociously pursue her, Sabrina is unimpressed. She's certain that the mansion, the Italian sports car, and the smoldering eyes get him everything he wants and more from other women, but Sabrina is not like other women. Melis knows something that has already caused one oceanographer to disappear from the face of the earth, and that's only part of a past torn by violence and betrayal. She thought she had put that past behind her when she arrived at her Caribbean island home to research dolphin behavior. But Melis's peace and her life are about to be shattered by a savage killer who is cutting a path of destruction and death that leads directly to her. Only one person can save her: a man who claims to be a fellow oceanographer. But what this enigmatic stranger really wants, Melis may not discover until it's too late. Because whoever is after her knows her fears intimately. And soon Melis will be forced to relive them all over again. Except for the final nightmare, the one she cannot possibly survive.
