The Burning House:

The Burning House Ann Beattie, 1982 The Burning House Paul Lisicky, 2011-05-03 The Burning House is an achingly lovely novel about the things that bind us together in this life and the things that pull us apart Paul Lisicky has an extraordinary gift for exploring emotional nuance and the rhythms of desire With this book he yet again asserts himself as one of the select writers who continues to teach me about the complexities of the human heart Robert Olen Butler The new house ate up every square foot of its lot Copper roofing copper flashing copper downspouts every last detail crying out notice me notice me keep up with me Exactly the kind of house Joan would have despised with good reason In this captivating family saga narrator Isidore Mirsky finds his close knit family and community suddenly coming apart Facing the illness of family members and the loss of homes in a recession plagued urban town he also contends with an overwhelming new desire his feelings for his wife's sister The Burning House finds its narrator at his most vulnerable and explores what it means to be a good man amidst chaos Paul Lisicky is the author of Lawnboy and Famous Builder Lisicky maintains a highly active schedule with readings and book signings and connects with his readership through Facebook and his blog He lives in New York City and on the east end of Long Island and teaches at New York University A collection of short prose pieces Unbuilt Projects is forthcoming in 2012 **Burning House** Ann Beattie, 2011-03-30 The now classic utterly unique voice of Ann

Beattie is so dry it throws off sparks her eye endowed with the emotional equivalent of X ray vision Her characters are young men and women discovering what it means to be a grown up in a country that promised them they'd stay young forever And here in shapely penetrating stories Beattie confirms why she is one of the most widely imitated yet surely inimitable literary stylists of her generation In The Burning House Beattie's characters go from dealing drugs to taking care of a bereaved friend They watch their marriages fail not with a bang but with a wisecrack And afterward they may find themselves trading confidences with their spouses new lovers The Burning House proves that Beattie has no peer when it comes to revealing the hidden shapes of our relationships or the depths of tenderness grief and anger that lie beneath the surfaces of our daily lives

The Burning House Ann Beattie, 1983 A collection of the author's most recent stories features their unnervingly sophisticated young people and older folks striving for wisdom and grace all of whom are rendered by an acclaimed stylist
