Molesworth,1895 The Carved Lions Mrs Molesworth,1895 **The Carved Lions** Molesworth,2013-08-15 It is already a long time since I was a little girl Sometimes when I look out upon the world and see how many changes have come about how different many things are from what I can remember them I could believe that a still longer time had passed since my childhood than is really the case Sometimes on the contrary the remembrance of things that then happened comes over me so very vividly so very real ly that I can scarcely believe myself to be as old as I am I can remember things in my little girlhood more clearly than many in later years This makes me hope that the story of some part of it may interest children of to day for I know I have not forgotten the feelings I had as a child And after all I believe that in a great many ways children are very like each other in their hearts and minds even though their lives may seem very different and very far apart The first years of my childhood were very happy though there were some things in my life which many children would not like at all My parents were not rich and the place where we lived was not pretty or pleasant It was a rather large town in an ugly part of the country where great tall chimneys giving out black smoke and streams once clear sparkling brooks no doubt whose water was nearly as black as the smoke made it often difficult to believe in bright blue sky or green grass or any of the sweet pure country scenes that children love though perhaps children that have them do not love them as much as those who have not got them do **The Carved Lions... - Primary Source Edition** Molesworth,2014-03 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book The below data was compiled from various identification fields in the bibliographic record of this title This data is provided as an additional tool in helping to ensure edition identification The Carved Lions Mrs Molesworth The Carved Lions. Venice: Lion City Garry Wills, 2013-05-28 Garry Wills's Venice Lion City is a tour de force a rich colorful and provocative history of the world's most fascinating city in the fifteenth and sixteenth centuries when it was at the peak of its glory This was not the city of decadence carnival and nostalgia familiar to us from later centuries It was a ruthless imperial city with a shrewd commercial base like ancient Athens which it resembled in its combination of art and sea empire Venice Lion City presents a new way of relating the history of the city through its art and in turn illuminates the art through the city's history It is illustrated with more than 130 works of art 30 in full color Garry Wills gives us a unique view of Venice's rulers merchants clerics laborers its Jews and its women as they created a city that is the greatest art museum in the world a city whose allure remains undiminished after centuries Like Simon Schama's The Embarrassment of Riches on the Dutch culture in the Golden Age Venice Lion City will take its place as a classic work of history and criticism
