The Casanova Embrace:

The Casanova Embrace Warren Adler,1978 When a South American diplomat uses his charms to recruit them for international terrorism three lonely Washington women allow themselves to be manipulated until they discover his deception and band together to seek revenge

The Serpent's Bite Warren Adler,2012-09-04 What is intended to be a nostalgic family horse trek in the Yellowstone wilderness to mend fences between a father and his adult children becomes a nightmare of unintended consequences poisonous motives and malevolence

The War of the Roses Warren Adler,2025-08-19 Warren Adler s cult classic presents the violent and comedic battle of a married couple in the midst of divorce Jonathan and Barbara Rose are the perfect couple living the dream in their beautiful house filled with their precious antiques their darling children and their prized Ferrari in the garage It s all any red blooded American could possibly want But when Jonathan experiences a sudden heart attack or so he thinks Barbara realises that she wants a new life without him There s just one problem they both want the house For husband and wife it s not just a residence it s a passion one that will escalate an ugly divorce into a full blown battlefield complete with weapons and casualties In this viciously black comedy the Roses will each do whatever they can to destroy their better half no matter the cost to themselves

Casanova's Homecoming Arthur Schnitzler,2006-07 Casanova was in his fifty third year Though no longer driven by the lust of adventure that had spurred him in his youth he was still hunted athwart the world hunted now by a restlessness due to the approach of old age His yearning for Venice the city of his birth grew so intense that like a wounded bird slowly circling downwards in its death flight he began to move in ever narrowing circles Again and again during the last ten years of his exile he had implored the Supreme Council for leave to return home Erstwhile in the drafting of these petitions a work in which he was a past master a defiant wilful spirit seemed to have guided his pen at times even he appeared to take a grim delight in his forwardness But of late his requests had been couched in humble beseeching words which displayed ever more plainly the ache of homesickness and genuine repentance

Casanova's Return to Venice Arthur Schnitzler,2013-03-07 His yearning for Venice the city of his birth grew so intense that like a wounded bird slowly circling downwards in its death flight he began to move in ever narrowing circles One of Schnitzler s most poignant evocations of the passing of time and the ironies of sentiment and love Casanova s Return to Venice tells the story of an ageing Casanova s desperate desire to return to the city he truly loves after a life of exile a desire which is contrasted with his still libidinous and sensuous yet weary pursuit of women money and prestige

Spanning classrooms to boardrooms The Politics of Religious Literacy challenges commonly held understandings of religious literacy as an inclusive framework for engaging with religion in modern multifaith democracies As the first book to rethink religious literacy from the perspective of affect theory and secularism studies this new approach calls for a constructive reconsideration focused on the often overlooked feelings and practices that inform our questionably secular age This study offers fresh insights into the changing dynamics of religion and secularism in the public sphere **Casanova's**
