The One Hundred Per Cent Society Arthur Hall,2015-04-09 Sherlock Holmes and Doctor Watson take on the case of Mr Avery Quill whose daughter has mysteriously disappeared The investigation has hardly begun when her body is discovered and Mr Quill is himself murdered in the same manner The killer leaves visiting cards emblazoned with the head of the Gorgon at the scenes of his crimes and Holmes connects these to a strange club known as The One Hundred per Cent Society He learns little there except that the members are all outcasts from noble families The following morning a visitor arrives at Baker Street to tell Holmes and Watson that the Society has a sinister purpose and that its leader has identified them as an obstacle to his plans which must be removed Thus begins a battle with a new and merciless adversary whose madness and thirst for revenge threaten to bring about the deaths of an apparently unconnected group of people The Great Detective pits his skills against an enemy whose very appearance is uncertain

In Pursuit of the Dead: The Rediscovered Cases of Sherlock Holmes Arthur Hall,2019-04-07 Holmes and Watson journey to the Lake District at the bidding of Squire Foley who claims to be tormented by a man he believes he has killed in a duel After an unsatisfactory conclusion they return to London where they investigate the abduction of a woman in most peculiar circumstances Next Inspector Lestrade brings them news of queer goings on in the National Gallery before a perplexed priest requests their help with the curious behaviour of his colleagues Early on Watson realises that a common thread runs through these events and Holmes sets out to bring to justice probably the most evil woman I ever hope to encounter

The Last Sherlock Holmes Story Michael Dibdin,2012-08-02 There can be no question that the contents of this

book will prove extremely controversial Many people will be deeply shocked by the nature of Watson s statement Many will no doubt prefer to reject it rather than surrender the beliefs of a lifetime Others will at least regret that two of the great mysteries of crime are finally solved **Holmes and Watson** Lee Eric Shackleford,2007-03-07 Dr Watson tells us in The Final Problem how Sherlock Holmes died and in The Empty House how Holmes turned out to be alive after all But Watson skipped over the immediate aftermath of Holmes return and Watson s reaction to the cruel trick Holmes played on his friend Now at last the true story is revealed I have read HOLMES WATSON and it held me riveted from first page to last It dealt with the interrelationship of Holmes and Watson more deeply than Doyle ever bothered and gives Watson an absolutely fair shake and has a mystery too Bravo Isaac Asimov
