Forthcoming Books Rose Arny, 1998 **The Beginnings of Civilization (Classic Reprint)** Charles Woodward
Hutson, 2017-11-19 Excerpt from *The Beginnings of Civilization* It may not be amiss to tell how I came to write this little book
Works so much more scholarly appearing from time to time on one or another branch of the theme here discussed some
persons may be disposed to regard my venture as superfluous if not presumptuous But the fact is I have sought in vain for a
work even professing to cover just the field which it has been my aim to prepare for the use of the reader In trying to give my
history classes some idea of the state of humanity before the dawn of history I have found myself compelled to draw one set
of facts from the geologists and archaeologists another from the students of myths and folk lore another from the special
students of language and race and another from the very negations of the antagonists of each or all of these classes of
scientific workers About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more
