The Berwyn Mountain UFO George Dudding, Larry Dent, 2015-01-07 In 1974 explosions and an earthquake jarred several small villages in North Wales The local citizens were left scurrying into the streets to find out what happened After observing strange lights on a nearby mountain a search party sets out to look for an airplane crash What they find on the slopes of the Berwyn Mountains baffles everyone to this day The event earns the title of Welsh Roswell *UFO Down?* Andy Roberts, David Clarke, 2010 In 1958 Gavin Gibbons wrote a children s science fiction novel *By Space Ship to the Moon* which featured a UFO landing on Moel Sych in the Berwyn Mountains of North Wales Sixteen years later in a surreal case of life imitating art those very same mountains would again be the focus for a story involving a downed UFO But this time some said the story was for real *The Berwyn Mountain Incident (1974)* Patrick Gunn, 2025-04-20 What really happened in the Berwyn Mountains that cold January night in 1974 The Berwyn Mountain Incident 1974 is a gripping deep dive into one of the UK s most controversial and mysterious UFO events When a loud explosion echoed through North Wales and strange lights lit up the sky witnesses believed something extraordinary had crashed in the hills What followed was a decades long debate involving eyewitness accounts military involvement media frenzy and whispers of a government cover up Through meticulous research detailed interviews and cultural analysis this book reconstructs the events of that night and examines its lasting effects on Welsh folklore public perception of UFOs and the wider field of extraterrestrial research It also explores comparisons with other iconic UFO cases like Roswell and Rendlesham Forest putting Berwyn in a broader global context Perfect for UFO enthusiasts conspiracy theorists and fans of true unexplained phenomena this book blends historical insight with gripping storytelling to offer a comprehensive look at an event that refuses to fade into obscurity Uncover the mystery Question the narrative Decide for yourself *The Berwyn Mountains Incident* Steven Lumley, 2014-04-24 AN UNEXPLAINED MYSTERY SINCE JANUARY 1974 This book is a thorough examination of the available evidence concerning The Berwyn Mountains Incident and includes fresh research from dedicated UFO investigator Russ Kellett revealing hitherto unknown events These include an alleged encounter at sea between UFOs and the Royal Navy an ambush by RAF fighter jets and dozens of Army personnel helping to conceal the evidence oWas a UFO shot down that night oDid five men see five aliens clambering out of it oWere the aliens then taken away by soldiers This amazing account builds to an explosive allegation and explains why the authorities have consistently covered up this event and sought to prevent any further investigation This fascinating book shines a light on one of the world s most intriguing UFO incidents a case that may in time come to be known as Britain s Roswell Nick Pope Ministry of Defence UFO Project 1991 1994 **The UFO Files** David Clarke, 2013-03-30 What does all this stuff about flying saucers amount to What can it mean What is the truth Winston Churchill prime minister s personal minute 28th July 1952 The UFO Files tells the story of over 100 years of UFO sightings drawing on formerly secret government documents at the National Archives in London Alongside extraordinary reports by ordinary people it reveals
