The Big One The First 52:

The Big One David Kinney, 2010-07-06 The Big One is to competitive fishing what Friday Night Lights was to high school football News Janet Messineo a recovering alcoholic who says that striped bass saved her life Buddy Vanderhoop a boastful Native American charter captain who guides celebrity anglers like Keith Richards and Spike Lee and Wyatt Jenkinson a nine year old fishing fanatic whose mother is battling brain cancer At the center of it all is five time winner Lev Wlodyka a cagey local whose next fish will spark a storm of controversy and throw the tournament into turmoil The Big One is a rollicking true story of a grand American obsession You don t have to be a fisherman to relish David Kinney s marvelous account of the annual striper madness on Martha s Vineyard or his unforgettable portraits of the possessed It s a fine piece of journalism rich with color and suspense Carl Hiaasen New York Times bestselling author *52 Deer Hunting Tips* Donnie Hoover, 2010-10 52 Deer Hunting Tips will help you improve and master your whitetail deer hunting skills Included in each chapter will be tips and tactics that are proven to work and work well for many hunters out there If it hasn t been tried and proven to work by an experienced hunter than it will not be listed in 52 Deer Hunting Tips **The Navigator** ,1963 **Air Corps News Letter** ,1956 **Retcon Game** Andrew J. Friedenthal, 2017-04-03 The superhero Wolverine time travels and changes storylines On Torchwood there s a pill popped to alter memories of the past The narrative technique of retroactive continuity seems rife lately given all the world building in comics Andrew J Friedenthal deems retroactive continuity or retconning as a force with many implications for how Americans view history and culture Friedenthal examines this phenomenon in a range of media from its beginnings in comic books and now its widespread shift into television film and digital media Retconning has reached its present form as a result of the complicated workings of superhero comics In comic books and other narratives retconning often seems utilized to literally rewrite some aspect of a character s past either to keep that character more contemporary to erase stories from continuity that no longer fit or to create future story potential From comics retconning has spread extensively to long form continuity rich dramas on television such as Buffy the Vampire Slayer Lost and beyond Friedenthal explains that in a culture saturated by editable media where interest groups argue over Wikipedia pages and politicians can immediately delete questionable tweets the retcon serves as a perfect metaphor for the ways in which history and our access to information overall has become endlessly malleable In the first book to focus on this subject Friedenthal regards the editable Internet hyperlink rather than the stable printed footnote as the de facto source of information in America today To embrace retroactive continuity in fictional media means accepting that the past itself is not a stable element but rather something constantly in contentious flux Due to retconning s ubiquity within our media we have grown familiar with narratives as inherently unstable a realization that deeply affects how we understand the world *The Canada Gazette* Canada, 1882 **Congressional Record** United States.
