The Big Time Football Genius:

The Big Time Tim Green, 2011-08-23 Troy has a chance to hit the big time and be reunited with the father he's never known. Things couldn't be going better for Troy White. The Atlanta Falcons football genius is at the top of his game helping the team get to the playoffs. Agents and lawyers are knocking on his door with big money offers for the upcoming season. And his own football team has just won the Georgia State Championship. Troy's celebrating with his friends when another lawyer comes knocking and this one says, "I think I'm your father." Very quickly, Troy's dream comes true, becomes a nightmare when his mom and dad become embroiled in a conflict over his future. For Troy, the stakes couldn't be higher as he fights for the right to know the man who calls himself Dad.

Football Genius Tim Green, 2007-07-03 Troy White has a phenomenal gift. He can predict football plays before they happen. Any position. Any player. Any team. When Troy's single mom gets a job working in public relations for the Atlanta Falcons, Troy figures it's his chance to prove what he can do. But first he has to get to the Falcons and with tight security and a notoriously mean coach, even his mom's field passes aren't much help. Then Troy and his best friends devise a plan to get the attention of star linebacker Seth Hallaway. With Seth's playing and Troy's genius, the Falcons could be unstoppable if they'll only listen. Bestselling author and former NFL player Tim Green scores a touchdown with this exhilarating novel, his first for young readers. Football Genius is an action-packed adventure with gripping suspense, a hero you can really root for, and an insider's look at the world of professional football.
