

The Biteback Dictionary of
**HUMOROUS
POLITICAL
QUOTATIONS**

— *Fred Metcalf* —

The Biteback Dictionary Of Humorous Political Ations

Henry Beard, Christopher Cerf

The Biteback Dictionary Of Humorous Political Ations:

The Biteback Dictionary of Humorous Political Quotations Fred Metcalf, 2012-10-15 Politics is no laughing matter unless you've got Fred Metcalf's Dictionary of Humorous Political Quotations. From the wit that made Boris a contender to the best of George W. Bush, this book will have you in stitches. Bankers to bin Laden, bumper stickers to Biden, and even a few topics that don't begin with B, Metcalf has them all covered. Churchill's gravitas meets Jon Stewart's modern parody. If you have a political or a funny bone in your body, you need this book. I loved it. Louise Mensch. With this brilliant anthology of *mieux mots* used in the theatre of politics over the centuries, Fred Metcalf has conjured an indispensable tool for both the seasoned public speaker and the armchair quotation collector alike. Combining politics with a liberal dose of sex, drugs, and Frank Zappa, Metcalf has produced a hearty panoply of memorable political rhetoric to cover any occasion, a remedy for those improvising amid impassioned response as well as those polishing their argument with the choicest of truisms. **The**

Official Politically Correct Dictionary and Handbook Henry Beard, Christopher Cerf, 1992 Newly expanded and up to the minute, a bestselling guide to survival in multicultural America in the sensitive 1990s. Includes even more real and satirical definitions to help keep thought cops away. Illustrated throughout. **The Political Bible of Humorous Quotations from**

American Politics Rich Rubino, 2014-10-09 This book is jam-packed with over a thousand unusual political quotes. This book is not a traditional book of flat static quotations listing one quote directly after another, but is truly three-dimensional, including the quotation, a brief explanation of the context in which each quote was spoken, and a related picture to boot.

American Political Humor Jody C. Baumgartner, 2019-10-07 This two-volume set surveys the profound impact of political humor and satire on American culture and politics over the years, paying special attention to the explosion of political humor in today's wide-ranging and turbulent media environment. Historically, there has been a tendency to regard political satire and humor as a sideshow to the wider world of American politics, entertaining and sometimes insightful but ultimately of modest interest to students and others surveying the trajectory of American politics and culture. This set documents just how mistaken that assumption is. By examining political humor and satire throughout US history, these volumes not only illustrate how expressions of political satire and humor reflect changes in American attitudes about presidents, parties, and issues, but also how satirists, comedians, cartoonists, and filmmakers have helped to shape popular attitudes about landmark historical events, major American institutions and movements, and the nation's political leaders and cultural giants. Finally, this work examines how today's brand of political humor may be more influential than ever before in shaping American attitudes about the nation in which we live. *A Conservative Walks Into a Bar* A. Dagnes, 2012-09-06 Conservative critics argue that modern political satire in the age of *The Daily Show* has a liberal bias. A quick review of the humor landscape shows that there are very few conservative political satirists, and using personal interviews with political humorists, this book explains why. The book explores the history of satire, the comedy profession, and the nature of satire itself to examine why there is an

ideological imbalance in political humor and it explores the consequences of this disparity This book will appeal to Daily Show and Colbert fans political junkies and anyone interested in the intersection of politics and media *The Politically Incorrect Dictionary for the 90's* Greg Walsh,1995 **The Joke Is on Us** Julie A. Webber,2018-12-11 This edited volume brings together scholars of comedy to assess how political comedy encounters neoliberal themes in contemporary media Central to this task is the notion of genre under neoliberal conditions where market logics motivate most actions genre becomes mixed Once stable discreet categories such as comedy horror drama and news and entertainment have become blurred so as to be indistinguishable The classic modern paradigm of comedy tragedy no longer holds if it ever did Moreover as politics becomes more economic and less moral or normative under neoliberalism we are able to see new resistance to comedic genres that support neoliberal strategies to hide racial and gender injustice such as unlaughter ambiguity and anti comedy There is also an increasing interest with comedy as a form of entertainment on the political right following both Brexit in the UK and the election of Trump in the U S Several essays confront this conservative comedy and place it in context of the larger humor history of these debates over free speech and political correctness For comedians too entry into popular media now follows the familiar neoliberal script of the celebration of self help with the increasing admonishment of those who fail to win in market terms Laughter plays an important role in shaming and valorizing often at the same time the precarious subject in the aftermath of global recession Doubling down on austerity self help policies and equivocation in the face of extremist challenges right and left politics foils the critical comedian s attempt to satirize and parody its object Characterized by ambiguity mixed genre and the increasing use of anti humor political comedy mirrors the social and political world it mocks parodies and celebrates often with lackluster results suggesting that the joke might be on us as audiences *Wit and Humor of Political Science* Lee Sigelman,Kenneth Newton,Kenneth Meier,2010 Lead editors Kenneth Newton and Lee Sigelman **A Trini Political Dictionary** Kevin Baldeosingh,2018-02-27 Did you think politicians use words like other people This dictionary will show you what they REALLY mean **The Joke is on Us** Julie A. Webber,2019 This edited volume brings together scholars of comedy to assess how political comedy encounters neoliberal themes in contemporary media Central to this task is the notion of genre under neoliberal conditions where market logics motivate most actions genre becomes mixed Once stable discreet categories such as comedy horror drama and news and entertainment have become blurred so as to be indistinguishable The classic modern paradigm of comedy tragedy no longer holds if it ever did Moreover as politics becomes more economic and less moral or normative under neoliberalism we are able to see new resistance to comedic genres that support neoliberal strategies to hide racial and gender injustice such as unlaughter ambiguity and anti comedy There is also an increasing interest with comedy as a form of entertainment on the political right following both Brexit in the UK and the election of Trump in the U S Several essays confront this conservative comedy and place it in context of the larger humor history of these debates over free speech and political correctness For

comedians too entry into popular media now follows the familiar neoliberal script of the celebration of self help with the increasing admonishment of those who fail to win in market terms Laughter plays an important role in shaming and valorizing often at the same time the precarious subject in the aftermath of global recession Doubling down on austerity self help policies and equivocation in the face of extremist challenges right and left politics foils the critical comedian s attempt to satirize and parody its object Characterized by ambiguity mixed genre and the increasing use of anti humor political comedy mirrors the social and political world it mocks parodies and celebrates often with lackluster results suggesting that the joke might be on us as audiences *A Political Dictionary* Charles Pigott,1796 **A Political Dictionary** Charles Pigott,1796 A satire directed principally against the English government
