## **The Black Pelican:**

Ghosts from the Coast Nancy Roberts, 2001 Acclaimed storyteller Nancy Roberts takes the reader on a haunted tour of coastal North Carolina South Carolina and Georgia in this engaging new collection of thirty three ghost stories and legends In North Carolina we hear of the restless spirit w **The Messiah Prophecy Murders** Charles LeRoy Janes, 2022-06-29 If Quentin Tarantino and Fyodor Dostoyevsky were to meet on a street in old St Petersburg and agree to collaborate on a story the Messiah Prophecy Murders is the story they would write Deep in war torn Poland in September 1939 a Red Army soldier about to execute a wounded Polish officer is brought to a trembling halt when he recognizes the officer as a boyhood friend s father who had been deeply generous to his own father when he was in desperate need of help to feed his impoverished family With the recollection of the father s acts of kindness the soldier hesitates fires a round harmlessly into the ground and whispers to the officer to lie still so that nearby soldiers who heard the shot will think their comrade did his duty and finished off the enemy officer The consequences of that act of mercy then caromed through time and space and the lives of the combatants and their progeny to land in a courtroom in Newport Rhode Island in a trial for murder in which the Polish officer s son Piotr Zaborski has been framed and betrayed by the soldier s son Nicolay Speshnev both of whom are naturalized U S citizens after having immigrated from Poland in their teens nearly thirty years earlier In the aftermath of the 9 11 attack on the World Trade Center the posh resort community of Newport was convulsed by the slayings of the stunningly beautiful daughters of three of its ultra wealthy Summer Colony families The features of the murders and the evidence found at each of the crime scenes most notably a handwritten prophecy of Christ s Second Coming strongly suggest that the killer is driven by depraved religious compulsions and obsessions Suspicion falls heavily on Zaborski who years earlier while a novice at a nearby Benedictine monastery was expelled from the monastery for mysterious reasons Since his expulsion he has become a fixture on the streets of Newport known for his often homeless destitute and eccentric existence for his ostentatious and frequent public displays of intense religiosity and aggressive Pro Life advocacy and for his irrepressible habit of endlessly and seemingly aimlessly roaming the streets of Newport at all hours of the day and night dressed in filthy dumpster clothing embellished by an ever present outsized monk s rosary and crucifix draped conspicuously around his neck In the heated nearly hysterical atmosphere of Newport in the weeks after the murders the unsubstantiated accusations and inchoate suspicions directed at Zaborski harden into the conviction that he is the killer when law enforcement leaks to the media the text of the crime scene prophecies and the reports of forensic experts concluding that the prophecies were written in Zaborski s hand With public opinion howling for Zaborski s neck and with the summer tourist season fast approaching the city fathers mount a campaign of their own to pressure law enforcement into arresting Zaborski in the hope that with his arrest Newport will be able to return to its customary celebratory and pleasure seeking ways with crowded sun dappled beaches packed hotels and boisterous bars and restaurants The hope proves illusory however as the murder and mayhem

continue even after Zaborski's arrest and incarceration pending trial. From his perch as the maitre d of one of Newport's poshest waterfront restaurants the psychopathic but Armani sleek and charismatic Speshnev resumes his bloody siege of Newport which keeps the resort community in the grip of a crippling fear and dread. Despite the further acts of violence while Zaborski is incarcerated the state relentlessly pursues its indictment against him. Eventually it is only through the tenacious investigative efforts of Zaborski's pro bono but celebrated Boston defense counsel Anthony Caro and Caro's local Newport co counsel and love interest Maura Boyle that the long ago events in Poland are unearthed that lead to the evidence that wins Zaborski's acquittal at trial and to the arrest of Speshnev for the murders. *The Black Pelican* Carolyn T Brookman, 2014-06-18 Did you ever feel that you were at the right place at the right time and did you ever while at that place have unusual feelings of peace and total happiness? Well these are things that Catharine and her mother and father found when they relocated to The Outer Banks of North Carolina from London. Catharine's father was a very privileged man whose father was very wealthy but never spent much time with his family because he was too busy making money. Her father wanted something different for his own family and decided to relocate the family to America where he would make his own way in the world. So their lives of luxury were no more to be. However as they neared the Carolina coast a violent Nor'easter bore down on them. They were in horrific danger and but for the braveness of The Black Pelican whose courage is well known in the Outer Banks they would have been lost. Legend has it that he alerted lifesaving station crews when ships were in danger by swooping down again and again until they followed him to the vessel in trouble. But when Catharine returned to England because of a family illness she realized that what she treasured most in her life had changed. She became so homesick for the things she had grown to love: the simple beauty of a sunrise or sunset walking barefoot on the beach looking for shells and seaglass, a gathering of friends and neighbors to share food, laughter, dancing and singing, and most importantly a young man named Seth. These were the important things to her now. Little did she know that while in London she had spoken with such love and yearning about this new home of hers that when at last she was able to return home she would bring a boatload of new Bankers with her. Nor did she know that out there was a brave black bird keeping a watchful eye.

*Mysterious Tales of Coastal North Carolina* Sherman Carmichael, 2018 Master storyteller Sherman Carmichael ventures into the Tar Heel State to deliver strange and mysterious tales along the coast. Read about shipwrecks such as that of the SS Liberator which still sits at the bottom of the ocean off the coast of Diamond Shoals and legendary storms like the 1911 Water Spouts which were described as tornadoes spinning wildly atop the ocean. Find out why the Cape Hatteras Lighthouse is said to be haunted by a large black cat. Learn about the origins of Boo Hag, a fiendish creature that sucks the life out of her victims as they sleep at night, a tale that originates from the rich Gullah culture of the Carolinas. Join Carmichael as he contemplates these stories and more from the mysterious side of North Carolina's beloved coastal counties.
