The Body in the Kelp Katherine Hall Page,1991 Amateur sleuth Faith Sibley Fairchild is summering on Sanpere Island off the coast of Maine when she stumbles on a body while walking on the beach *The Body in the Kelp* Katherine Hall Page,1990-12-15 The second mystery in the Agatha Award winning series Great characters a wonderful plot and a puzzle laid out in the unfinished threads of a quilt Ocala Star Banner New York caterer turned minister s wife Faith Fairchild and her husband Tom have left the little village of Aleford Massachusetts for a summer on Sanpere Island off the coast of Maine But Tom is called away to a three week religious retreat in New Hampshire leaving Faith to amuse herself and care for Benjamin who s currently in what parents call the terrible twos stage The summer begins innocently enough with Faith involved in a seemingly harmless mystery a hunt for treasure the clues to which are cryptically embedded in a patchwork quilt she bought at an estate auction But the trail leads instead to the body of another summer resident along the beach and Faith is forced into more serious and dangerous kind of detection A highly entertaining series Booklist Page s young sleuth is a charmer The New York Times Book Review Page is known for leavening her work with humor and warmth The Boston Herald **Faith Fairchild Series Volume 1-3** Katherine Hall Page,2025-02-04 Enjoy the first three volumes of Katherine Hall Page s long running New England cozy mystery series featuring amateur sleuth Faith Fairchild In *The Body in the Belfry* Faith discovers a dead body in the church After the victim s recent engagement ended poorly the police have zeroed in on her ex fiance Faith is determined to find the truth but the small town has too many sordid secrets In *The Body in the Kelp* Faith and her family are spending their summer on Sanpere Island Faith decides to participate in a harmless treasure hunt When she stumbles across a dead body on the beach her investigation is forced into something much more dangerous In *The Body in the Bouillon* Faith works to uncover the mysterious doings of the local retirement home after a resident falls face first into their bouillon And when a drug dealer turns up dead Faith must work fast to reveal the murderer *The Body in the Bouillon* Carolyn Hart,Katherine Hall Page,2000 A gourmet caterer turned sleuth investigates the wrongdoings at an exclusive Massachusetts retirement community when residents begin to drop like flies *Mystery Women, Volume Three (Revised)* Colleen Barnett,2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of

Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3. These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999. This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979. It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008.
