Warning of a sneak attack God stated as he handed me a title When I say sneak attack I m not referring to the events of September 11th I m not talking about a jet colliding with the side of a building I m not referring to any kind of terrorism What I m talking about is the enemy infiltrating the church and the enemy infiltrating the school in such a subtle way that we accept it as common law We are accepting the changes that are occurring in the world and we must halt this practice We aren t in China at all We aren t in the Russian Federation We are in the United States of America which was founded on God and should continue to be founded on God Hallelujah I want you to realize that our country is in desperate need Our kids are the most defiant I ve ever seen in my life I thought I was rebellious but my goodness I had never heard of the term I want you to understand that I ve been seeing things in the spirit for a long time and God has given me names for some of the enemy s methods and tools that some of us don t see because our schools are pushing it and things are moving in this direction God has been speaking for some time but I want you to know what the enemy is using for sneak attacks He is utilizing things and every few months God begins to lay things thoroughly in my heart to put God s finger on it This is more like a Lord s Watchman and I want you to understand that every time God does something like this it s incredibly powerful and it s for a specific reason This I feel will be the most important of them all This is the most critical time to defend our children before they are taken down by the adversary What s been going on in this region has been the most severe moment and some of you should be able to connect to it Let me tell you about some of the things that are happening on right now It has nothing to do with race It has nothing to do with what is going on in this country What s going on in this country is that a monster from hell is attempting to kidnap children and claim them as his own I m telling you some of us aren t aware of this and believe that all children are safe They re good they re secure Let me say something now I know that there are more sexual encounters going on between children as young as 12 13 years old than you might expect Don t assume that simply because you think so your child is always safe I m not here to create a following I want you to be aware that Satan is use television Hollywood and even book authors to bring us down Satan is using them to entice children into disobedience Apps which can be downloaded to any phone are being used to entice and divert the children
