The Emerald Tablets of Thoth-The-Atlantean , 2002 The Spiritual Occult and Historical significance of the Emerald Tablets is almost beyond belief of modern man Written around 36 000 B C by Thoth an Atlantean priest king this manuscript dates far back beyond reach of any Egyptian writings ever found The author Thoth a Master Teacher of the early Egyptians put this treatise to writing in his native Atlantean language and Dr Doreal by use of his expertise as an Occultist and Master of time and space was given the directive to retrieve these Tablets and translate them into English for the edification of modern man The powerful and rhythmic verse of Thoth is wonderfully retained in Doreal s translation Contained within the pages of Thoth s masterpiece of Spiritual and Occult Wisdom is the synthesis of the Ancient Wisdom Teachings the guideline for initiates of all ages revealing the Knowledge and Wisdom hitherto held secret but now in this New Age revealed to all Seekers on the Path of Light Dr M Doreal Ms D Psy D is the Spiritual Teacher of a multitude of Seekers of Light having founded a Metaphysical Church and College The Brotherhood of the White Temple Inc He is the

author of all of the Organization's writings and teachings having been given permission for the Esoteric Wisdom to be remitted in a public forum by the Great White Lodge the Elder Brothers of mankind who shape and form the Spiritual evolution of earth's inhabitants The Brotherhood of the White Temple Inc is a correspondence school accredited through the State of Colorado and mails out to its world wide membership weekly Lessons of Truth Its four and one half year College Course unveils the secrets of the Symbolism of all Mystery Schools giving precisely and beautifully the step by step progression all Seekers have searched for in their quest for Oneness with God and for attainment of Cosmic Consciousness Read Believe or not but read and the vibration found therein will awaken a response in your soul Doreal      **The Book of Thoth** Aleister Crowley, 2003-03 The Book of Thoth is now a classic in the field It is used by students of the Golden Dawn as well as those who want to understand Crowley's tarot This is the definitive study of the Egyptian tarot and is used as a key to all Western mystery disciplines Color plates of eight cards are also included      **Thoth** Charles River Charles River Editors, 2018-07-08 Includes pictures Includes ancient accounts Includes online resources and a bibliography for further reading Thus says Thoth judge of truth to the Great Ennead which is in the presence of Osiris Hear this word of very truth I have judged the heart of the deceased and his soul stands as a witness for him His deeds are righteous in the great balance and no sin has been found in him Africa may have given rise to the first human beings and Egypt probably gave rise to the first great civilizations which continue to fascinate modern societies across the globe nearly 5 000 years later From the Library and Lighthouse of Alexandria to the Great Pyramid at Giza the Ancient Egyptians produced several wonders of the world revolutionized architecture and construction created some of the world's first systems of mathematics and medicine and established language and art that spread across the known world With world famous leaders like King Tut and Cleopatra it's no wonder that today's world has so many Egyptologists Perhaps the most intriguing aspect of ancient Egyptian civilization was its inception from the ground up as the ancient Egyptians had no prior civilization which they could use as a template In fact ancient Egypt itself became a template for the civilizations that followed The Greeks and the Romans were so impressed with Egyptian culture that they often attributed many attributes of their own culture usually erroneously to the Egyptians To the ancient Egyptians as was the case with any society made up of inquiring humans the world was a confusing and often terrifying place of destruction death and unexplained phenomena In order to make sense of such an existence they resorted to teleological stories Giving a phenomenon a story made it less horrifying and it also helped them make sense of the world around them Unsurprisingly then the ancient Egyptian gods permeated every aspect of existence Baboons held a prestigious place in Egyptian religion They were kept as sacred animals in many temples because contemporary Egyptians considered them the original religious observers particularly with respect to the sun god Re Ancient Egyptians took the wild baboons stretching on their hind legs forelegs raised to the sky to be an oration to the sun god at dawn Furthermore these ancient ancestors of the land of Egypt were greeted at dawn by the concatenations of the baboons nattering which the

religious minded took to be an early morning devotion and even believed that the baboons spoke the original language of religion and a claim they could understand baboons was often one asserted by certain members of the priestly class However it is his association with the ibis that most defines Thoth s visual imagery Since the ancient Egyptians believed that the universe arose from the swamp like waters of Nun it was the water bird that garnered the most prestigious veneration Birds like geese herons and the ibises were associated with this period of creation and according to some beliefs the world came about thanks to the great honk of a primordial goose whose eggshell was said to be preserved in the temple of Thoth It was believed that Re created Thoth s baboon form to be that of his shining moon but his ibis form was that of a messenger between heaven and earth although he was much more than this Thoth The History and Legacy of the Ancient Egyptian God Who Maintains the Universe looks at the mythology surrounding one of antiquity s most famous deities Along with pictures depicting important people places and events you will learn about Thoth like never before **The Journal of Sacred**
