The Camp Fire Girls Jennifer Helgren,2022-12 As the twentieth century dawned progressive

educators established a national organization for adolescent girls to combat what they believed to be a crisis of girls education. A corollary to the Boy Scouts of America founded just a few years earlier, the Camp Fire Girls became America's first and for two decades most popular girls organization. Based on Protestant middle class ideals, a regulatory model that reinforced hygiene, habit formation, hard work, and the idea that women related to the nation through service, the Camp Fire Girls invented new concepts of American girlhood by inviting disabled girls, Black girls, immigrants, and Native Americans to join. Though this often meant a false sense of cultural universality, in the girls' own hands, membership was often profoundly empowering and provided marginalized girls spaces to explore the meaning of their own cultures in relation to changes taking place in twentieth century America. Through the lens of the Camp Fire Girls, Jennifer Helgren traces the changing meanings of girls' citizenship in the cultural context of the twentieth century. Drawing on girls' scrapbooks, photographs, letters, and oral history interviews, in addition to adult voices in organization publications and speeches, *The Camp Fire Girls* explores critical intersections of gender, race, class, nation, and disability.

The Camp Fire Girls Amid the Snows Margaret Vandercook, 1913

The snow was falling in heavy slashing sheets and a December snowstorm in the New Hampshire hills means something more serious than a storm in city streets or even an equal downfall upon more level meadows and plains. Yet on this winter afternoon about an hour before twilight and along the base of a hill where a rough road wandered between tall cedar and pine trees and low bushes and shrubs, there sounded continually above the snow's silencing two voices, sometimes laughing, occasionally singing a brief line or so, but more often talking. Accompanying them always was a steady jingling of bells.

The Social History of the American Family Marilyn J. Coleman, Lawrence H. Ganong, 2014-09-02

The American family has come a long way from the days of the idealized family portrayed in iconic television shows of the 1950s and 1960s. The four volumes of *The Social History of the American Family* explore the vital role of the family as the fundamental social unit across the span of American history. Experiences of family life shape so much of an individual's development and identity, yet the patterns of family structure, family life, and family transition vary across time, space, and socioeconomic contexts. Both the definition of who or what counts as family and representations of the ideal family have changed over time to reflect changing mores, changing living standards and lifestyles, and increased levels of social heterogeneity. Available in both digital and print formats, this carefully balanced academic work chronicles the social, cultural, economic, and political aspects of American families from the colonial period to the present. Key themes include families and

culture including mass media families and religion families and the economy families and social issues families and social stratification and conflict family structures including marriage and divorce gender roles parenting and children and mixed and non modal family forms and family law and policy Features Approximately 600 articles richly illustrated with historical photographs and color photos in the digital edition provide historical context for students A collection of primary source documents demonstrate themes across time The signed articles with cross references and Further Readings are accompanied by a Reader s Guide Chronology of American Families Resource Guide Glossary and thorough index The Social History of the American Family is an ideal reference for students and researchers who want to explore political and social debates about the importance of the family and its evolving constructions *Girl Culture* Claudia Mitchell,Jacqueline
