Two broken people didn't make a whole one. The friendship we had, it just worked. We were kindred spirits. We had shit in common. We were both running from the same demons. That didn't mean we could make a romantic interlude work. In fact, it almost guaranteed that we would be a complete bloody disaster. Darcy: I liked Cole from the moment my best friend introduced us, and if I hadn't been seeing someone at the time, we might very well have hooked up. But instead, we became friends, good friends, and I came to value that friendship more than I'd ever imagined. Cole just got me. When I was around him, I could let all my defences down and just be me. Sure, he was hot, and I knew if we ever went beyond friends, we would rock each other's world. But our friendship was too important to me to throw it away for one perfect night between the sheets. I didn't do long-term relationships, so one night was all we could ever have, and that just wouldn't be enough. Cole and I would be spectacular, and then we would self-destruct. Neither of us was emotionally available to deal with the fallout. Maybe if

things were different if I wasn't so broken but they're not and I'd rather have Cole as a friend for life than just a sweet memory. Cole Darcy knocked me on my arse the first time I met her. She was gorgeous, a tiny little thing that I'd like to pick up and carry around in my pocket. But she was also smart and funny and a great wingman. Except that I'd rather sit at the bar talking to her all night than go home with the women she picked out for me. And now my body had gotten on board and it wanted more, much more. But Darcy was my friend and the relationship I had with her was probably the healthiest male-female relationship I'd ever had and I just didn't want to screw it up. She was too important to me to be a one-night stand, even though I knew it would be amazing and I'm a one-night stand kind of guy. That might be an awful thing to admit, but I'm not whole and I didn't think it was fair to lump my baggage onto someone else. So having Darcy as a friend was the only way to keep her in my life and I definitely wanted to keep her.

Manscaping Emma Lea, 2019-09-02. Manscaping the fashion and style column on The Playbook online men's magazine and Mia's new job. Well, internship. It was only for six weeks just so she could get the credits she needed to graduate from university, but they were paying her, so yeah, her new job. The only problem. She would be working directly under Liam. Not that she had a problem being under Liam. She'd been there once before and it had been the best night of her life, but yeah, that was exactly the problem. She'd been under Liam before and now he was going to be her boss. He probably didn't even remember her. He'd never called or tried to contact her after a night she would never forget, so maybe it hadn't been so unforgettable for him, but now she would be working directly under him. Yeah, that was going to be a problem.

That's The Way The Christmas Cookie Crumbles Emma Lea, 2020-12-15. Newly divorced and relieved of her position as head pastry chef in the restaurant she had slaved over for the last seven years, Ella Templeton was headed to the Sunshine Coast to lick her wounds and decide what to do with the rest of her life. This wasn't the dreamy Christmas holiday that it sounded like. Ella hated Christmas and she was only going to the Sunshine Coast because that was where her parents lived and they'd offered her a place to stay. Thirty-four-year-old women shouldn't be going home to their mothers, especially not Ella's mother, even if her parents lived in a multimillion-dollar mansion right on the beach and Ella could probably avoid her mother all together. No one told her she would be expected to take part in a bake-off on her mother's YouTube channel, nor did they tell her about her fellow competitor, Michelin-starred chef Jake Collins. Please note: This story takes place in the sub-tropical area of the Sunshine Coast in Queensland, Australia. It's a Christmas story that takes place in Summer because that's how it happens down under. There is no snow, but there is plenty of heat, and I don't just mean the temperature, wink, wink. This book uses UK/Australian English.

Love to Hate You Emma Lea, 2020-09-22. Noelle I was having a very bad day. The worst day of my life. With only eight weeks left until my thirtieth birthday, oh, and Christmas, I was determined to cram every last ounce of fun into my life before I officially became an adult.
