*What the Dead are Dying to Teach Us* Claire Broad, 2019-09-10 A fresh and thoroughly modern take on Afterlife communication Claire Broad is known as the Honest Medium in What the Dead are Trying to Teach Claire shares invaluable insights into life after death gained through her own experience whilst also drawing on the most up to date scientific studies on consciousness As a young child Claire experienced psychic phenomena as she grew older her experiences and the communications she received became stronger resulting in Spirit teachers making their presence known and guiding her Naturally analytical and now an adult Claire was forced to question the validity of her experiences against the common academic opinion surrounding survival after physical death and embarked upon a life long quest for the truth In her refreshingly down to earth honest and open manner Claire shares personal stories to bring comfort and hope to many whilst highlighting findings from consciousness studies that challenge our understanding of the world and encourage us to consider our true nature and full potential Claire teaches us why we may have confidence there is life after death how we can heal and awaken spiritually through the therapeutic practice of mediumship and most importantly what we can learn from those already on the other side in order to make the most of this life whilst we are here By the end of this compelling book readers will have an understanding that we all have a natural connection to the spirit world and will have gained tips and tools to deepen this connection that death is an illusion that our loved ones can visit us after their passing and that we can learn to recognise the signs that genuine mediumship is a therapeutic practice and why visiting a medium is nothing to be feared that spirit guides gently support us all that it is natural for a child to display psychic ability and what you can do to support a child that does that there is scientific research to support the validity of mediumship and psychic ability and that it is possible to seek evidence for survival as well as keeping faith
